The tribunal disagreed in the application of Wm. McLeod, 595 Ossington avenue, who stated he was the sole support of his mother and 14-year-old sister. He is a drug clerk, 20 years of age. The claim, on account of the disagreement, at once goes to appeal.

Harold S. Littlejohn, 355 Ossington avenue, took exception to the presence of the press, but was not given a private hearing. ## SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to  
Bring Back Color and  
Lustre to Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked just an application of two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound, now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears in lustrous and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

K. G. Sutherland, a tool maker, 123 Cowan avenue, claimed the national importance of his work, but the tribunal thought he would be of greater service at the front.

# On Monday

CANADA'S Victory Loan campaign will open on Monday, November 12, in every city, town and village of this broad Dominion.

In every province there is a provincial headquarters. In every county and township there is a county or township headquarters. The whole country has been organized so that everybody will have an opportunity to help make Canada's Victory Loan a triumphant success.

Commencing on Monday, thousands of workers will begin a canvass that is designed to reach practically every man and woman in Canada.

When one of these canvassers calls upon you, remember that he is doing work of national importance. He is entitled to, and should receive, a cordial hearing. He is an accredited agent of the Victory Loan Committee to sell Victory Bonds.

And remember also, the two-fold purpose for which Victory Bonds are being offered—the maintenance of Canada's fighting forces and the establishment of the credit Great Britain requires so that she may continue to buy supplies in Canada.

And then, think of the value of Victory Bonds as an investment paying good interest and secured by the signed pledge of Canada, backed by all her boundless resources.
