The Great Value Of Outdoor Walking

(By James F. Winston, physical director, Y. M. C. Y.)
Just prior to the recent big fall of snow it was my pleasure to enjoy about a six mile walk over the new bridge and around Carleton and was surprised to find so many people walking on such a beautiful Sunday, with the streets in splendid condition for this beautiful exercise.

SAVE YOUR HAIR AND BEAUTIFY IT WITH "DANDARINE"

Spend 25 Cents! Dandruff Disappears And Hair Stops Coming Out

Try This Hair Gets Beautiful, Wavy And Thick In Few Moments

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Dandarine. Just one application dissolves the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scour robs the hair of its lustre, its strength and its very life, and does not overcome it produces a feverishness and itching of the scalp; the hair grows flimsy, looses, and die; then the hair falls out fast. If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25-cent bottle of Knowlton's Dandarine at any drug store or toilet counter; apply a little as directed, and ten minutes after you will say this was the best investment you ever made. We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Dandarine. If eventually why not now?

A sacred concert was given in the Central Baptist church last evening, under the auspices of the church choir. It proved a great success. The following took part: Miss Blaisdell, Miss Scribner, Mr. Charlton, Mr. Wood, A. Short, and others. Miss Beryl Blanch officiated at the organ. The concert was under the direction of Miss Blaisdell, choir leader.

Two families were driven into the rain with nothing but their night clothes when Samuel Chambers' two-story house in Thorne avenue was gutted by fire. The building was completely destroyed and Mr. Chambers, who lived in the upper flat, and George Hutt, who lived down stairs, lost practically everything. Neither had any insurance on their house furniture and Mr. Chambers had only \$1,000 insurance on his house.

As to motoring, I will say that my only joy is driving, where you are occupied, and of course with steering wheel, brakes and clutch, you are given considerable exercise. It is also splendid for long distances and sight seeing, but on the whole, walking is hard to beat.

Conceiving the casual observer, he finds his walking, even to and from work, a pleasure second to none. In addition, he fills his lungs with pure, invigorating air, sends his blood pulsing through his veins, carrying fresh life and vitality to every part of his body.

Conceiving the strider, James A. Hocking, pathfinder of the Walkers' Club of America, says:

To walk correctly, one must use a heel-and-toe stride. The heel should touch the floor first, then the ball, and the toes to give the final spring to the foot. The feet should point out straight ahead, not to the sides, or pigeon toe. The body must be carried erect, the arms swinging naturally and the lungs taking plenty of air. FRANK STANFIELD BACK IN THE LEGISLATURE

(Halifax Chronicle.)

There was quite a sensation in the House of Assembly yesterday afternoon when the day were called, an interesting ceremony was performed. It was the swearing in of no less a personage than Frank Stanfield, member for Colchester County, whose "unshrinkable" resignation has been the subject of much comment for many months. Mr. Stanfield was reported last year to have sent his resignation to the Colchester County Conservative Association, and the great boast was made by his friends that the sacrifice made by this politician in order that he might register protest against "the things were being done on the Intercolonial." There was, however, no word of his resignation having been sent to the proper legislative authority, and many doubted

whether Mr. Stanfield ever intended to resign.

Yesterday his intention was made clear. With a wide grin and apparently quite "rejuvenated," Mr. Stanfield stalked into the legislature, and accompanied by his colleagues, Mr. Kennedy, and Mr. Hall, leader of the opposition, went through the necessary formalities of being sworn in, after which he was introduced by Mr. Hall to the speaker. This done, Mr. Stanfield was greeted with tremendous applause, the enthusiasm being done on the Intercolonial. He then on the opposition side.

HE PAID FOR A TON OF CABBAGE

A Portland, Me., wholesale produce house paid on Tuesday what is believed to be the highest price ever paid for cabbage in that country, or in any other country, for that matter. A small lot was bought from Cape Elizabeth farm at the rate of \$800 a ton, or ten cents a pound. One especially large cabbage was picked out and weighed to see just how much they were giving for that particular one, and as it weighed in at
