Violent Death at Halifax.

Halifax, June 30.—Following a row in
a restaurant on Hollis street at mid-
night, "Chick" Melvin, aged about 28
years, ran along the street and fell down
a hatchway receiving injuries which
caused his death. Three Greeks have
been arrested and some other parties
concerned in the affair will be arrested
today.

MOTOR CAR CRASH.

Two automobiles in collision, at the
corner of Charlotte and Princess streets,
yesterday afternoon, resulted in consid-
erable damage being done to both cars.
The automobiles were owned and driven
by C. Leonard and E. D. Sullivan re-
spectively.

In a slight accident to the Carleton
ferry last night about 9 o'clock at the
West Side, part of the side projections
of the boat was broken off, catching on
a piling in the approach to the float.
No one was hurt and very little damage
was done, the boat continuing her usual
trips.

Former United States Senator Mason, Pioneer

in Pure Food and Drugs Legislation. Father of Rural Free Delivery System

Says Nuxated Iron

Increased His Power and Endurance
so Much, That He Feels It Ought
to Be Made Known to Every Ner-
vous, Run-down, Anaemic Man,
Woman and Child.

Opinions of Dr. Howard James, late of the Manhattan State
Hospital of New York and formerly Assistant Physician
Brooklyn State Hospital; Dr. Schuyler C. Jacques, Visiting
Physician of St. Elizabeth's Hospital, New York; and
former Health Commissioner Wm. R. Kerr, of the City
of Chicago.

What Senator Mason Says

Gentlemen:

I have often said I would never recommend med-
icine of any kind. I believe that the doctor's place
of life, without a chance for a vacation, I had been start-
ing to court every morning with that horrible tired
feeling one cannot describe. I was advised to try
Nuxated Iron. As a pioneer in the food and drug
legislation, I was at first loath to try an advertised
remedy, but after advising with my medical friends, I
gave it a test. The results have been so beneficial
in my own case, I made up my mind to let my friends
know about it, and you are at liberty to publish this
statement if you so desire. I am now 68 years of age
and I feel that a remedy which will build up the
strength and increase the power of endurance of one at
my age, should be known to the world.

Yours very truly,
Wm. R. Kerr

Senator Mason's statement in regard
to Nuxated Iron was shown to several
physicians who were requested to give
their opinions thereon.

Dr. Howard James, late of the Man-
hattan State Hospital, said: "Senator
Mason is to be commended on stand-
ing out this statement on Nuxated Iron for
public print. There are thousands of
men and women who need a strength-
giving, blood-building, and in the in-
terest of public welfare I feel it my
duty to make known the results of its
use. I am well past my threescore years,
and want to say that the use of Nuxated
Iron has been a great blessing to me. It
has given me the strength and power of
youth, and I feel that it ought to be used in every
hospital and prescribed by every physi-
cian in this country."

Dr. E. Sauer, a Boston physician who
has studied abroad in great European
medical institutions, said: "Senator
Mason is right. As I have said a hun-
dred times over, organic iron is the
greatest of all strength builders."

"Not long ago a man came to
