Auto Court Case Is Heard in Maine

BANGOR, Me., Oct. 8.—Attorney General Raymond Fellows, of Bangor, will appear before the U. S. Supreme Court in Washington to argue a Maine case of considerable importance, to the automobile business in the state. Litigation was initiated against an automobile corporation and the Bangor selling agents of the corporation by the insurance commissioner of Maine on the ground that the selling plan of cars included fire and theft insurance for a year, such insurance being in a company not licensed to do business in Maine.

Application for an injunction restraining the insurance commissioner from enforcing the state law against doing insurance business without a license was referred to three Federal court justices, who denied such an injunction.

The auto corporation now takes the case to the U. S. Supreme Court with the contention that the Maine dealers are in no sense insurance agents, do not write the insurance contract or place it on the car, and the premium from the cost of the car which includes the insurance; it is also contended that the Maine law, if enforced, is unconstitutional, impairing freedom of contract, taking property without due process and denying full faith and credit and that the Chrysler plan is valid and not an infringement on the state laws.

Mr. Berube states that he has about 15 more cases which will be dealt with without delay.

CHILDHOOD AILMENTS

Can Be Quickly Banished With Baby's Own Tablets

The ailments of childhood are many but nine-tenths of them are due to one cause and one cause only—a disordered condition of the stomach and bowels. To quickly banish any of the minor ailments of babyhood and childhood the bowels must be made to work regular and the stomach must be sweetened. No other medicine for little ones has had such success as has Baby's Own Tablets. They banish constipation and indigestion; break up colds and simple fevers; correct diarrhoea and colic and promote healthy sleep by regulating the functions of the stomach and bowels. Concerning them Mrs. L. M. Brown, Walton, N. S., writes: "I cannot speak too highly of Baby's Own Tablets as I have found them excellent for childhood ailments."

Baby's Own Tablets are sold by medicine dealers, or by mail at 25 cts. a box from The Dr. Williams' Medicine Co., Brockville, Ont.

ONTARIO'S HISTORY TEXT BOOKS SCORED

BRANTFORD, Oct. 8.—In his capacity as Minister of Education for the province, Premier G. H. Ferguson, visiting Brantford education institutions today, took occasion to strongly criticize the present history text books in use in Ontario public schools. They were merely a diary of events and dates, lacking in romance and deadeningly uninteresting. History, he said, should be written as a romance, telling of the gradual moulding of a country's development.

CLOSURE OF SOVIET AGENCIES URGED BY BALDWIN PARTY

End of Russo-British Trade Agreement Demanded at Conference

SCARBOROUGH, Eng., Oct. 8.—The Conservative party conference ended today after all phases of radicalism had been denounced in resolutions or from the platform.

Today the delegations adopted a resolution urging the termination of the Russo-British trade and diplomatic agreement and the immediate closure of all Soviet agencies in Great Britain. The foreign personnel should be compelled to return to Russia, the delegates decided.

The resolution emphasized the "alarming continuance of subversive propaganda in Great Britain and the

Soviet agents' flagrant breaches" of the agreement.

Sir William Bull, M. P., who moved the resolution, said the Soviet government had openly declared itself the enemy of Great Britain.

James Gardner, of Stockton-on-Tees, said that all Russian Communists were "blood-suckers who were at the bottom of all British industrial disputes of the past three years."

Another resolution stated the opinion of the delegates that any general strike was unconstitutional and treasonable, and that the participants in such a strike should be prosecuted by criminal indictment or by a bill of impeachment.

Increased production and higher wages complicated the problem now before Great Britain, Premier Baldwin told the meeting.

The premier did not refer to the miners' resolution to withdraw the safety men from the pits, but he said "those who caused the general strike as well as the coal strike learned their theories abroad."

The stoppage had necessitated new laws with respect to trade unions, but the system of collective bargaining, he said, was still necessary to society.

OTTAWA, Oct. 8.—Col. J. L. Ralston was this afternoon sworn in as Minister of National Defense at Government House in the presence of the Governor-General, Premier Mackenzie King and Hon. Ernest Lapointe.

The new minister attended his first Cabinet meeting later in the day.

COMMUNITY ROOM IS PRESENTED TO CLIFTON VILLAGE

Mrs. Julia Bates Crozier of Los Angeles Gives \$200 For Purpose

CLIFTON, N.B., Oct. 8.—A very representative gathering assembled in Clifton Hall on Thursday evening, when the formal presentation was made to the community, from Mrs. Julia Bates Crozier, Los Angeles, Cal., of \$200 to be used in renovating and refitting a room in this hall as a library and community room.

In making the presentation Mrs. Carmichael recalled incidents of girlhood friendship and happy school days in that very room—of eager reading by the little girl, Julia Bates, of books from the school library, such as Hugh Miller's and Macaulay's—a taste for

good reading that has never faded. Others spoke of the high ideals and splendid enthusiasm characteristic of all Mrs. Crozier's life, and of her hope that this room might prove not only a pleasant social centre, but make for broader and finer living to all, but especially the rising generation.

NAMED AFTER DONOR.

Suggestions were asked for a name and popular vote decided on "The Julia Bates Community Room."

The village library, which has steadily outgrown its quarters in a private house will be placed in the Community Room, when renovation is completed. Announcement was made that an organ would be placed in the room.

After the singing of Auld Lang Syne a short programme of readings and musical selections was given, and the serving of refreshments brought the delightful evening to a close.

Work on the room will be undertaken at once.

"Yankee Doodle" an Old Irish Tune.

(London Despatch) The tune "Yankee Doodle" is not American at all, but Irish, says Dr. Gratton Flood, an Irish authority on musical history. He asserts that "Yankee Doodle" was originally an Irish air known as "All the Way to Galway." Also "God Save the King," the British national anthem, Dr. Flood says, is an old Irish tune which originated about 1595.

LOCAL HEBREWS TO GREET VISITORS

Arrival for Mrs. Freiman and Rabbi Klotnik Not Until Sunday

The arrival of the two distinguished visitors expected by the Jewish community of the city has been deferred for one day and it was announced last night that the guests, Mrs. A. J. Freiman, of Ottawa, and Rabbi J. L. Zlotnik would reach Saint John at noon on Sunday instead of arriving today. The delay has been occasioned by the illness of Mrs. Freiman.

Mrs. Freiman is president of the Dominion Hadassah organization and chairman of the Keren Hayesod, or Palestine Foundation Fund, while Rabbi Zlotnik is the executive director of the Zionist organization of Canada. This delegation is coming to Saint John primarily in the interests of the Keren Hayesod or Palestine Foundation Fund.

The reception committee is composed of one representative of each of the local Hebrew organizations and its members are as follows: Rabbi A. Babby, convener; Mr. and Mrs. L. Edman, Mrs. L. Isaac, Mrs. J. Goldman,

Ell. Hayman, Mrs. B. Jacobson, H. Jacobson, H. Marcus, Mrs. D. Pines, Mrs. M. Sereisky and Ralph Isaac. The committee will meet Mrs. Freiman and Rabbi Zlotnik at the train and will accompany them to their hotel. In the evening at 8 o'clock a community social and reception will be held in their honor in the vestry of the synagogue and Rabbi Zlotnik will deliver an address before that time a meeting on the subject of Palestine Progress.

For the reception the junior Hadassah girls' chorus will sing a number of the Hebrew national songs under the direction of Cantor Mandelblat.
