Buy Before Prices Advance

Raw rubber has jumped up from 19c. to \$1.20 a pound. This year's world crop falls far below the demand and the producers are banded together to keep it like this and force high prices on the world.

October first another price advance takes place. But Ross Drug prices were obtained before all this happened and while they last all our Rubber goods stay at old low prices. As Ross prices were the lowest all along they are away lower right now.

No Council Meeting; Mayor and Com. Bullock Away

Dr. Frink Has Three-fold Position—West Side Public Works.

The regular meeting of the Common Council in committee did not take place this morning owing to the lack of a quorum. Mayor Potts is still out of the city and Commissioner Bullock left on Saturday evening to attend a meeting of the American Port Authorities in New York. Commissioner Frink, besides being acting mayor, is carrying out the duties of his own department, has been asked to act for Commissioner Bullock during his absence, so he is at present carrying on in a three-fold civic capacity.

A request has been received from Allaire's Pharmacy in West Saint John to erect an electric sign. Permission will be granted, Commissioner Frink said this morning providing the usual by-law conditions are fulfilled.

An invitation has been received at City Hall from the committee in charge of the Protestant Orphanage Fair for the Mayor and commissioners to attend the formal opening in St. Andrew's Park on Wednesday evening.

FOR FLAG POLE

Commissioner Frink said today that he would make a special appropriation for a flag pole to be erected in King Square, West Saint John. He also said that men would start work tomorrow lining out the paths and cutting flower beds in Queen Square, West Saint John. He also reported that considerable progress had been made in obtaining possession of the site for the proposed new potato shed.

Commissioner Frink said that sewerage connections would be completed today or tomorrow on the West side which when perfected would mean emptying into the old Mill Pond, thus doing away with a condition that has at times raised objections.

MISS I. L. MURRAY OF NORTH END DEAD

Douglas Avenue Resident Was Member of Prominent Family of Province.

Miss I. Louise Murray, of a prominent North End family, died at her residence, 170 Douglas avenue, this morning. She was a daughter of the late Isaac and Elizabeth Murray, of Springhill, York county, near Fredericton, and sister of the late W. H. Murray, of Douglas avenue.

The Murray ancestors moved to Springhill, York county, from Durham, England, just 100 years ago. About 40 years ago the family to which Miss Murray belonged removed to Saint John, where they have resided in Douglas avenue.

Miss Murray was closely associated with St. John's (Stone) church. For some years, she was vice-president of the W. A. there, only relinquishing the office when she was obliged to give up outside interests owing to a fractured hip.

Besides a sister, Miss Margaret O. Murray, who resided with her, Miss Murray leaves two nephews and seven nieces. They are: William Murray, at the home, Douglas avenue, and Miss Mary, a younger sister, who has resided here for several years. Mrs. Samuel Hatheway, of St. Anne de Bellevue, Que., Mrs. Horse Miles, of Mount Pleasant, Mrs. F. H. Wetmore, wife of Dr. Wetmore, of Hampton, Dr. Doris Murray, Miss Margaret Murray and Miss Constance Murray, at Lanesanne, Switzerland, where Miss Constance is attending school, and Sidney, who returned yesterday from abroad, to resume his studies at Harvard University. He was able to see his aunt before she passed away. Two cousins also survive, George Murray, of this city, and Mrs. Lavina Stratton, of Springhill, York county, where burial will take place in the family lot, where three generations of the Murray family have been laid to rest. The service will be held on Wednesday afternoon at 2 o'clock at St. Peter's church, Springhill.

HUNDRED WILL GET RIVER GLADE AUTO

Required by Noon Tuesday to Make Car Available For Patients at Once.

If those who are kindly disposed and who have not yet contributed to the fund to provide an automobile for the patients at the River Glade Sanitarium will come forward by noon tomorrow with donations totalling \$100, the car will be at the disposal of the invalid men at once.

The automobile, a comfortable coach, is here in Saint John ready for delivery and the men in the institution are eagerly awaiting the opportunity of health-giving outings in the good autumn weather. They can have six weeks of it if the people will assist over this last financial hurdle.

OFFERS \$100.

It was announced this morning that \$200 was still required, but that there was in sight half this sum from one who has already subscribed, providing that others will make up the other \$100 by noon on Tuesday.

It was pointed out that this is not a great amount to get together in a place like Saint John that has given so well to many public objects and that now has opportunity to do something of value for the soldier patients at River Glade, men who have given so much of their very selves for the sake of the great loss which the United Church has sustained and express their deepest sympathy with the bereaved wife and family.

WATER PIPE BROKE.

The police discovered a leak in a water main at the intersection of Pitt and Mecklenburg streets yesterday. The break was reported to the water department.

SENT TO CITY HALL.

James Williams and Alexander McAllister were before the police magistrate this morning on a charge of selling goods from door to door without a license. They were sent to City Hall to see Acting Mayor Frink.

FINE OF \$200.

The Edward Hotel was fined \$200 today following a visit by Inspectors Killen and Armstrong and Detective Saunders and Policeman J. Conway, during which some liquor was reported seized.

MILK SITUATION NORMAL.

The milk situation was back to normal today and all the dealers got a full supply this morning. The price of milk advanced this morning to 12 cents wholesale and 14 cents retail. This is an advance of two cents a quart.

PURSE IS PRESENTED.

Miss Audrey Buckle of Glen Falls, who left for Boston on Saturday night to study hairdressing, was made recipient of a purse by the ushering staff of the Imperial Theatre prior to her departure. Miss Buckle had been one of that staff for more than two years.

SUNDAY SERVICES.

Rev. Henry Mahon, of Douglas Avenue Christian church, was the speaker at the 10 a.m. service at the Douglas Street Christian church yesterday morning and E. N. Stockford spoke in Douglas Avenue church. The order was reversed in the evening. The McEthern quartette were heard in several selections.

A WARM WAVE.

The breeze in the cold spell which culminated in a freezing gale and rainstorm last night, sent the mercury soaring today. From a sticky humidity at 10 a.m. the glass registered 69 by at noon and soon after it was still higher. The change from last week's temperature was quite a contrast.

RADIO RECEPTION POOR.

Radio fans are complaining that reception in Saint John instruments is poor. Some high-powered sets have been getting a few of the stronger stations faintly, but for some time there has been an extraordinary absence of definite programme material. This is a condition, experts say, will be expected from time to time.

SCHOOL CONTRACT AWARDED.

J. & E. A. Harquail, general contractor, of Campbellton, has been awarded the contract for the erection of the new school at Dalhousie, according to an announcement made from the office of J. Neil Brodie, architect, this morning. It is said that three local firms put in tenders. The contract price is about \$90,000.

TO HAVE BASEBALL BOARD.

At the weekly meeting of the Y. M. C. I. yesterday afternoon it was decided to install a baseball board during the coming world series. A committee was appointed with Thomas Killen as chairman to make the arrangements. The new officers for the incoming board will be nominated next Sunday and a week later the election will take place. Joseph P. Coughlan, the president of the institute, was in the chair at yesterday's meeting.
