## CORNER STONE OF SCHOOL IS LAID

Chief Justice McKeown officiated at Ceremony in Newman Street.

The corner stone of the new Lorne School in Newman street, was laid this afternoon at 2:30 o'clock by Chief Justice McKeown, chairman of the St. John board of school trustees in the presence of members of the board and many citizens. Work on the school was commenced in August.

Into the corner stone was placed a book containing amongst other things the following: Specimens of the corner stone stamps at present in use, a copy of the last printed copy of the school board report covering the period between the years 1913-14 and 1919-20, a statement containing the name of the architect, P. Neil Brodie, the contractor, R. A. Corbett, the price of the building, the price of the land and similar information; copies of the four daily papers, The Telegraph, Times, Globe and Standard, containing a report of the last regular meeting of the board; a copy of the Standard of today's date; a copy of all stationery forms now used in the board office, personal cards and envelopes which have come through the mail addressed to the board.

G. E. Day, a member of the board who had charge of the arrangements for today's ceremony, also placed in a few Masonic mementoes.

A platform was erected for the occasion and was tastefully decorated with flags and bunting. The members of the school board and Dr. H. S. Bridges, superintendent, attended the ceremony in a body.

The silver bowl with which the stone was laid and which afterwards was presented to the chairman, bore the following inscription: "Presented by the Board of School Trustees to The Honourable Chief Justice McKeown, Chairman of the Board, on the Occasion of His Laying the Cornerstone of Lorne School, St. John, N. B., November 19th, 1921."

## SENT UP FOR TRIAL

Frank Zeberan and Clifford Ritchie, charged with wounding above and not giving a satisfactory account of themselves and with acting suspiciously in the doorway of the City Coroner's office, were sent up for trial today. J. A. Barry, appearing for Zeberan, contends that there is no information against them for an indictable offence, as it was not charged that they broke in or tried to break into the shop. The magistrate ruled that as they had been seen in a doorway opening on a hall in which there was a door marked apparently by a child or screw driver found where the boys were arrested, there was reasonable ground for an assumption of intent to break in.

## GREAT TIME AT BOYS' RACES

Lads in Road Contests Arranged by Mayor Schofield—"Eats" Follow Events.

Mayor Schofield's newsboys' road races, which were held this morning, were conceded to be the most successful of their kind ever held in this city. They were witnessed by a large number of spectators, many of whom had in former years actively participated in athletic events, and all seemed unanimous that the races were held in a highly commendable manner. Many took the occasion to congratulate the mayor and express their appreciation of the interest he is manifesting in the rising generation, as they considered it will mean the fostering of an inclination to continue in sports.

There were three events, the first for boys ten years and under, the second for boys twelve years and under, and the third for boys fourteen years and under. Nearly 100 boys entered in the three events and the enthusiasm they displayed was a feature in itself.

The first race was from the Imperial Theatre to the head of St. Patrick street and back to the theatre, and was won by Roy Chapman, with Arthur Walker second. The winner's time was 4 in. 59 secs.

The second race was for boys twelve years and under, and was from the theatre to Cooper's Corner and back. This was won by Everett McCarty, with Albert Maxwell second. Time 15 minutes.

The third and feature race was for boys fourteen and under and was from the theatre to the One-Mile House and back. This was won by Edmund Chandler, with George Stafford second. Time 23 minutes.

The prizes. The winner of the small boys' race was awarded a pair of rubber boots, and the runner-up a cap. The winner of the second event received a sweater and the runner-up a pair of larrigans. The winner of the third race was awarded a mackinaw coat and the boy finishing second a pair of boots. All the presentations were awarded by Mayor Schofield.

When the races terminated the boys were sent to the Y. M. C. A. and the M. C. I., where a luncheon was prepared for them. A feature of this luncheon was "pie." Oh, my!

The enthusiasm displayed would do credit to many senior events and was an assurance of future success. Prior to the starting of the races some of the small boys could be seen running around the fountain in the square. One little chap remarked that they were "warming up," but another announced: "Now, they ain't warming up; one of the boys in the race got a pal who is getting them all tired out so they can't win."

When starter Frank White was giving instructions to the boys twelve years and under, one remarked: "I can't remember all that; write it down on something."

The antics of a little colored lad evoked hearty laughter prior to the starting of the races. He had a habit of whistling and then expectorating, after which he would jump around with his hands clasped in smiles in eager anticipation of the big event. When he failed to show up with the winners one of the spectators asked him "What kept you?" with a grin, he said "Nothing."

When the boys who finished third were informed that there was no prize for them they showed disappointment, but when Mayor Schofield announced that they would be given two extra doughnuts they seemed satisfied with their lot. Although about twenty boys started out in the long race only a few finished. The race reported exciting conversation home in teams and automobiles, as they feared the lunch would be all over by the time they reached the finish mark. The winners deserve credit. Their time was fast, considering the distance traversed and the muddy condition of the roads.

Chandler and Stafford are Y. M. C. I. boys. The former won in the race last year.

## WHEN QUADRILLES WERE THE THING

City Cornet Band Anniversary Recalls Old Time Assemblies Here.

Last Tuesday was the forty-seventh anniversary of the founding of the City Cornet Band, and in this connection some interesting facts relating to the band's early activities might be spoken of. Invitations are in existence for parties and social gatherings which the band conducted in the years 1875, 1876, 1877 and 1878. On Tuesday, November 23, 1875, a "Sash and Belt Party" was held in Small's Hall in Dock street, and music was provided by the City Cornet Band, which was at that time only one year old. The committee for this assembly was composed of M. J. Driscoll, D. K. Shibley, J. F. Allen, P. J. McLaughlin and D. S. McLaughlin, members of the old Father Matthew Association. The programme was printed on white paper with gold letters on the outside, and brown ink inside.

On Wednesday, November 29, 1876, a "Leap Year Quadrille Assembly" with music by the City Cornet Band, was held in the same hall, and the committee were William Wallace, B. McGowan, W. Calhoun, J. Sullivan, and William Walsh, secretary. The invitation for this affair was printed in old-fashioned script letters on a sheet of mauve laid paper.

Another "Social Quadrille Assembly" was held on Monday, April 2, in the following year in McGowan's Hall in Georgetown street. In this case the committee's names were not on the invitation, but that of James Connolly was affixed as secretary. It might also be noted that coaches were advertised as in attendance at the ball for the use of those attending.

The next invitation is one to a series of "Quadrille Assemblies" to be held in Dockrell's Hall, Union street, commencing on January 9, 1878, and in charge of W. Higgins, F. Sheehan, W. Ward, J. Dixon and J. Connolly, secretary.

In the collection, also, is a badge for the World's Fair, Chicago. It is of white satin with a shiny clasp. It bears the inscription: "City Cornet Band, St. John, N. B., World's Fair, 1893."
