PRESCRIPTIONS STOLEN.
New Series of Blanks Substituted in Edmonton.
Calgary, Dec. 23.—Information has come from Edmonton to the effect that one of the reasons for the sudden substitution by the attorney-general's department of the new "D" series counterfeit-proof liquor prescriptions for the old "C" series was a recent burglary committed in the capital city. The report states that the Bodie printing establishment was broken into in that city and between 40,000 and 50,000 of the former prescriptions stolen.
The stolen prescription blanks were printed on a kind of brown paper which while difficult of imitation to some extent, cannot compare with the new prescription forms, which are printed on water-marked fibre paper prepared by the American Bank Note Company, of Ottawa. 12-24

Tucker-Jones.
At the residence of Mr. and Mrs. Alexander Jones at Upper Hainesville, York county, on the evening of Dec. 17, their only daughter, Verna F., was united in marriage to Charles W. Tucker of that place. 12-24

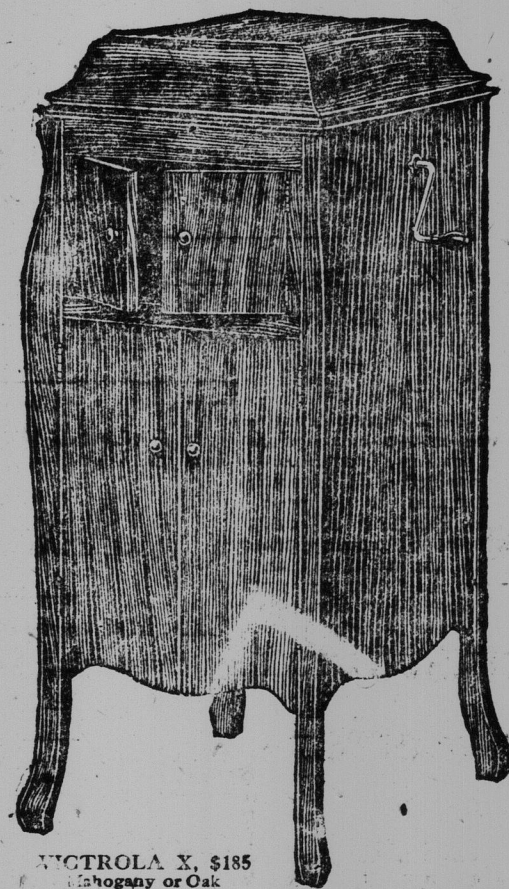

TURKEYS NINETY CENTS A POUND

To the Editor of The Times:
Sir—Vendors of turkeys are now asking for them ninety cents a pound in the city market, St. John, N. B. 12-29

According to the Montreal Star vendors of turkeys are selling same in Montreal market at fifty-four cents a pound and the Montreal Star says they may go to fifty-five cents a pound this week. Enough said.

As long as the easy marks in St. John are prepared to pay ninety cents a pound for turkeys the price will continue to rise no doubt to \$1 by Christmas Day. If the purchasing public will be wise enough to say we will do without turkeys rather than pay ninety cents a pound for same the price will soon adjust itself. Yours, etc. "ROAST PORK."
