**Jockey Killed.** Paris, Oct. 16.—A famous gentleman jockey, Alice Carter, a captain of French Dragons, was killed at the head of his regiment in a recent engagement. He lay on the battlefield for two days. Carter, originally English, was a naturalized Frenchman. He rode long for W. K. Turf.

**ROUGHER TO PICK AT A SORE CORN**  
The razor or jack-knife way of paring and gouging out corns is but a temporary relief, and very often causes blood poisoning. To quickly relieve the pain and surely lift out the corn, apply Putnam's Painless Corn and Wart Extractor, the only sure remedy for sore foot lumps, warts, callouses, bunions and corns. Its name tells the story. Putnam's Painless Corn and Wart Extractor. 25c. per bottle.

**A Cautious Owner.** A Pennsylvania farmer was the owner of a good Alderney cow. A stranger, having admired the animal, asked the farmer, "What will you take for your cow?"

The farmer scratched his head for a moment and then said: "Look a-here, be you the tax assessor or has she been killed by the railroad?"

**An Easy Way To Stop Head Noises**

Good Advice For Those Who Fear Deafness

Men and women who are growing hard of hearing and who experience a stuffy feeling of pressure against their eardrums, accompanied by buzzing, rumbling sounds in their head like water falling in a steam escaping should take prompt and effective measures to stop this trouble. Headnoises are almost invariably the forerunners of complete or partial deafness and most deaf people suffer from them constantly. Sometimes these noises become so distressing and nerve racking, with their never ceasing "hum" they drive the sufferer almost frantic and complete nervous breakdown and even violent insanity have been known to result.

Thanks to a remarkable scientific discovery made recently in England it is now possible to almost instantly lessen the severity of these headnoises and in a very short time to completely and permanently overcome them. With the disappearing of the head noises, the hearing also greatly improves and very frequently can be restored to normal. This English treatment is known as Parmit and can be easily and safely administered at home. Leading druggists in St. John and vicinity now have it in stock. Get from your druggist 1 oz. Parmit (Double Strength) and mix it at home with 1-4 pint of hot water and 4 oz. of granulated sugar. Stir until dissolved and then take one tablespoonful four times a day until the noises disappear and hearing improves. Parmit is used double strength in this way not only to reduce, by tonic action, the inflammation and swelling in the Eustachian tube and thus to equalize the air pressure on the drum but to correct any excess of secretions in the middle ear and the results it gives are both remarkably quick and effective.

Not to Be Distinguished. Visitors from a rural district were in the strangers' gallery in the House of Commons trying to recognize their member on the floor. "I can't distinguish him," said one after a hopeless visual observation. "Of course not," was the honest reply. "He can't even distinguish himself."
