SOCIALIST PARTY

IN ITALY SEEMS

NEARING BREAK

Spirited Scenes at Meetings

Yesterday—Norway's Labor Party Splits.

Leghorn, Jan. 17.—Prospects of a break between the communist and moderate elements of the Italian socialist party appeared to be taking more definite form when the conference met today.

At yesterday's sessions there were several personal encounters between opposing delegates, and insulting remarks and jeers were exchanged almost continually.

Christians, Jan. 17.—Norway's labor party has definitely split on the proposal to adhere to the third international party, which has been taking more definite form when the conference met today.

The Toronto board of health at its last meeting passed a resolution authorizing the medical health officer, Dr. C. J. O. Hastings to be present at a "Health Week" to be held at St. John's commencing on January 30. Ald. Cowan read long telegrams which had passed between the M. O. H. and Dr. Wm. F. Roberts, minister of health for New Brunswick. The first telegram from Dr. Roberts asked Dr. Hastings to attend, but the latter replied declining the invitation. To this the minister sent an

other, long telegram urging Dr. Hastings to reconsider his decision. In view of these facts, and also on account of New Brunswick being the only province with a minister of health, Ald. Cowan thought Dr. Hastings should try to attend. Dr. Hastings said such trips were "pretty strenuous," but he promised to consider the matter again.

DISCRIMINATION ALLEGED.

What seems to be a piece of discrimination against St. John is reported to the Times by a well known local miller man who complains that cornmeal can be shipped from Halifax to Yarmouth, a distance of 260 miles at the rate of thirteen and one-half cents a hundred weights while from St. John to Yarmouth, a distance of 112 miles via Digby, the rate is twenty-two cents a hundred.

LOAN TO CHINA

TO HELP STARVING

Peking, Jan. 17.—A loan of four million taels by British, French, United States and Japanese banks, to be applied to the relief of the famine stricken districts, has been concluded by the ministry of finance, with the approval of diplomats assigned to the Chinese republic. The loan will be secured by a customs surtax amounting to ten per cent. the date of the application of which has not been fixed.
