

CIRCULAR LETTER.

*To the Churches which compose the Nova-Scotia
and N. B. Association, the Elders and Messen-
gers send Christian Salutation :*

BELOVED BRETHREN,

GOD, of his abounding mercy, has favoured us with another very happy and refreshing season, in this our annual meeting. The happy and reviving accounts, contained in your Letters, have enlarged our Hearts towards Zion, the City of our God. Truly, the Lord is good to Israel; the Lord has done great things for us.

Brethren, we send you a few thoughts which bear on our minds, upon the important subject of obedience to the commands of the King and Head of Zion. We find his authority unquestionable, and all his laws are perfectly right, and pleasing to the willing and obedient. The Old and New
