June 3- Ship Annie, 557, Evensen, Bristol, bal.

M. Grehant has made a series of experidown over his shoulders.

"Everybody seemed to lay saide the usual General News.

Ments which convince him that death is caused by alcohol when the proportion of cool reserve of strangers, and we made our

them, to the County he represented ruins. About 40 people were killed and when the alcohol imbibed ceases to be abruins. About 40 people were killed and control and the blood presents the property of the pr ernment.

Mr. Tweedie took the platform when Mr. Smith had concluded and after making some extraordsnary attempts to prove that gentleman inconsistent, proceeded to employ towards Mr. Smith, almost as vile and abusive language as his friend the Surveyor Goronal had.

dicate that 40 persons were killed, a great many wounded, and much property destroyed.

dicate that 40 persons were killed, a great many wounded, and much property destroyed.

This observer thinks that if fewer deaths ocour from drunkenness than might be expected it is because drunkards stop drinking before the fatal proportion of alcohol in the blood has been reached.

Ship "Freeman Clarke," arrived at New York, reports during the passage Captain James Dwight, of Springfield, Mass., was attacked in his berth while asleep by a his friend the Surveyor Goronal had.

Chinese steward and hacked to pieces with

There is no doubt that the original home the other train, and he left his own seat. and went over to the front end of the car and stabbed that piece of custard pie, into the ear of a beautiful widow from Iowa."
