CENTENARY CONGREGATION

Held Pleasant Reunion Last Night-Interesting Photograph

The congregational reunion of Centenary, held last evening in the Sunday school of the church, was a very successful affair and was attended by a large percentage of the members of the church. When the pastor, Rev. Geo. M. Campbell, assumed the chair shortly after eight o'clock, the school was filled to overflowing by members and friends. An object of much interest was the large picture of the church and the pastors which was to be unveiled. It hung on the right hand wall, draped over with two large Union Jacks.
