To Boost Sport

Physical Directors of New Brunswick Met in Moncton on Wednesday—Competitions to be Arranged.

A meeting of the Physical Directors representing the Province of New Brunswick was held in Moncton Wednesday, when the plans for the athletic work of the season were discussed. Major H. J. Smith of Toronto, the National Y. M. C. A. Physical Director, presided, and some very definite plans were made.

The discussion opened with the explanation by Mr. Smith of the relationship of the Y. M. C. A. Athletic League to the Amateur Athletic Union of Canada. These bodies are working in co-operation throughout the whole country for clean amateur sport. N. H. Crow Secretary of the A. A. U. of C. was secretary of the Y. M. C. A. Athletic League when it was first organized back in 1902 and eight years later (in 1910) articles of alliance were drawn up with the A. A. U. of C. and from that date registration cards of either body are recognized by the other.

It was decided that provincial Y. M. C. A. championships will be decided in as many of the athletic activities as possible.

The local Y. M. C. A. is organizing a wrestling class for the older boy and senior members, with the aim of conducting the city wrestling championships in January, with the idea of having the winners in the various weights go to Moncton, where the Provincial Wrestling Championships will be held about January 25th. The wrestling is going to be advanced by adding boy championships events. The boy weights will be: under 89 lbs., 89 to 92 lbs., 92 to 110 lbs., 110 to 125 lbs., and all over 125 lbs. under 18 years of age. The senior weights will be 115 lbs., 125 lbs., 135 lbs., 145 lbs., 155 lbs., and the unlimited class. The City Wrestling Championships, as well as the Provincial, will be open to all amateurs, provided they have amateur cards.

Swimming is to be promoted as strongly as possible among the men and boys, with the aim of holding the city championships and deciding events, will represent St. John in the Provincial Championships held in this city later in March.

The question of Provincial Athletic Championships was thoroughly discussed and a decision was reached to further athletics among boys by having the city or district championships for the "Tuxis" and "Trail" Ranger boys, according to the standard efficiency age and class basis, the city meets to be held in various areas the 5th or 12th of June, and the Provincial Championships to be held in the city of St. John. The boys must be members of the "Tuxis" or "Tuxis" Boy Groups, to be eligible for the championship events. In the senior athletic work, the aim is to work towards the City Championships to be held early in September, with the aim of conducting the Senior New Brunswick Athletic Championships in Moncton late in September.

Mr. Smith announced that the Dunlop Tire Company of Toronto have guaranteed six standard silver trophies to be won by the various clubs in each province as follows: Quebec, Ontario, Saskatchewan and Manitoba, the Maritime Province and British Columbia.

The Dunlop Road Race was first started by Mr. Dunlop in 1904 when he offered a silver trophy for the Team Championship of Canada and this event was carried on for the next nine years being won by the various clubs including the Montreal Gordon Harriers, but during the nine years, the two trophies were finally won by "Broadview" and "Central" Y. M. C. A. of Toronto. These two associations hold permanently the two trophies.

Rules Governing the Road Race. A team shall consist of not more than six runners, with the first four home to count.

The lowest score of any team to decide the winners.

The course shall be five miles over a road course.

The event is open to any amateur athletic clubs in each province. The men must be registered in the Y. M. C. A. Athletic League or the A. A. U. of C. and must hold membership in the club represented, 30 days prior to the event.

The plan is to hold the Maritime Province Championships during each Fall. This year, the event may be run in conjunction with the New Brunswick Athletic Championships at Moncton, or in the same city at a later date in October.

Further information will be announced later.

The question of the National Indoor Athletic Contests for "Trail" and "Tuxis" Boys to be held during the latter part of April, was also discussed.

Trophies have been decided upon for the Provincial Championships in each area and the association is planning to co-operate closely with the churches in conducting these events. If possible, these events will be held on a decided date in the armories or some building with a large floor space.

In regard to volleyball, it was decided to further this game especially among the business men, by arranging out-of-town trips between the associations in the province.

Many other points were discussed in connection with "Professionalism" and "Indoor Activities." It is hoped that with such an enlarged programme for each association to get behind, the work will greatly increase in all the activities.

The National Hexathlon Contests were gone into with the aim of having the Y. M. C. A.'s in the province taking part this year. The events are practically the same as previous years, with the senior contest being held in February and the boys' contests in March. St. John is planning to take part in both and are working on an athletic programme to prepare the men and boys for events both in the junior and senior.

Major Smith will visit St. John on

INTERVENTION  
BY FINLAND IS  
BEING SOUGHT

Pressure Being Brought to Bear to Induce Them to Join in Attack on Bolshevik Forces.

WILL INTERVENE UNDER CONDITIONS

If Certain Entente Guarantees Are Obtained Finnish People Will Gladly Take a Hand in the Struggle.

Heisingfors, Finland, Oct. 30.—(By the Associated Press.)—Extraordinary measures are being brought to bear to induce Finland to join in the attack of the anti-Bolshevik forces on Petrograd.

C. G. Liansow, head of the government of Northwest Russia, has arrived in Heisingfors from Reval on a British torpedo boat destroyer to enter into direct negotiations for Finnish intervention. M. Vennola, Prime Minister of Finland, admitted to the correspondent today that negotiations were in progress, but said he had not received official proposals.

M. Vennola declared that Finland might intervene, provided her rights and those of the Finnish tribes in Karelia to self-determination, as defined by President Wilson, are recognized by Russia, which also must carry out a promise made in 1884 to give Finnish subjects the right to substitute, T. H. Kilpatrick and W. A. Reed. There was a good attendance and much enthusiasm was shown in the proceedings. Warden Golding was in the chair and J. H. Britney was secretary.

The Finnish army now aggregates 35,000 men, of whom 15,000 are stationed on the Russian frontier. Volunteer white guards, maintained by business interests, number 11,000, and a majority of these men would be available.

The American torpedo boat destroyer Madrazo arrived at Viborg today. She will remain there to escort barges, containing food, to Petrograd.

Karelia, the population of which comes mainly from Finnish stock, embraces the southwest corner of Finland and part of the modern governments of Petrograd, Olonets and Archangel.

FOREIGN COMPANIES CUT UNDER BRITISH

Swiss Underbid on Power Station at Edinburgh.

London, Oct. 29.—(Reuters.)—The offers of engineering firms in connection with the erection of a power station at Edinburgh shows that foreign firms are severely undercutting British companies. The contract went to a Swiss firm, whose price for the work was \$530,000. The nearest British tender was \$570,000.

## LITTLE BITS OF SPORT CHATTER

Jim Thorpe has no trouble coralling the collegians after the college playing season, but the same old spirit is never attached to the pro games.

Fred Mitchell is going to handle the Cubs again next season which only goes to prove that the Cubs know when they have a good manager and know enough to hold on to him.

Here's a prospect of a little relief for the athletes in these H. O. L. times. It will be remembered that athletes competing away from home, particularly Jole Ray, protested that the \$5 a day limit allowed them was not enough in these times. The legislation committee will report to the A. A. U. at its annual meeting in this city next month in favor of advancing the limit to \$7 a day, besides allowing the men travel in first-class cars and have single sleeping berths—Boston Globe.

It is doubtful if the American Lawn Tennis Association will accept the invitation of President Gailey of the Sporting Club of Paris to have America represented in the French covered court championships to be held next month. Most of the American players, with the possible exception of William T. Tilden Jr., of Philadelphia, have stopped playing. Tilden keeps playing, and should the U. S. N. L. T. A. see fit to send a worthy representative, there is probably no one better qualified for the job.

The next game in the Intercollegiate Rugby League will take place on Saturday afternoon on the Shamrock grounds, when St. John will meet Rotherham. Rotherham has played two games, winning from Fredericton and tying with St. John. St. John has won from Fredericton also. The game Saturday should prove interesting. Both teams have been training hard since their last appearance. Dr. D. C. Malcolm is slated to referee.

FINLAND DOING  
UTMOST TO AID  
GEN'L YUDENITCH

Have Placed Tanks and Ammunition at His Disposal—Cannot Do More Unless Guaranteed Financial Assistance.

Paris, Oct. 29.—The correspondent of the Temps at Heisingfors is authorized in government circles to declare that Finland is doing her utmost to assist General Yudenitch, having placed at his disposal two tanks and a large quantity of rifle ammunition and authorized Russians residing in Finland to enlist in his army. Finland, however, cannot do more unless she is promised certain compensating advantages as her financial situation would not otherwise permit her to cooperate with General Yudenitch.

DELEGATES SELECTED

At a meeting of electors in the Temperance Hall, Fairville, last evening the following were selected as representatives to the party convention: Warden Golding and P. G. McMurtry, substitutes, T. H. Kilpatrick and W. A. Reed. There was a good attendance and much enthusiasm was shown in the proceedings. Warden Golding was in the chair and J. H. Britney was secretary.

Five Senior Teams  
For Basket Ball

Enthusiastic Meeting Held in Y. M. C. A. Last Night—Games to be Under Way by November 16.

A further meeting of the City Basketball League was held last evening at the Y. M. C. A. club room to decide on the teams for the Intermediate and Senior series for the year.

The following clubs were represented: St. David's church, P. Long; St. Andrew's church, M. H. White; St. John High School, T. H. Robinson; Y. M. C. I., W. E. Sterling; M. R. A. Ltd., W. E. Sterling; Atlantic Sugar Refineries, W. A. Moscaulay; Y. M. C. A. Athletic Association, Frank Thorne.

Last week at the meeting four Intermediate and only two Senior teams entered, but the Senior League took a fine jump at the meeting last evening when five teams indicated that they were definitely prepared to play.

The league stands as follows: Intermediate series—St. Andrew's church, Y. M. C. I.; St. John High School, Y. M. C. A.

Senior series—St. Andrew's church, Y. M. C. I.; M. R. A. Ltd., Atlantic Sugar Refineries and Y. M. C. A.

With these nine teams organized some real sport is looked for. The question of the sanction for the league entrance fee to league, prizes and election of the officers, was left till the next meeting to be held on Thursday evening next, November 6th, at 7 o'clock in Y. M. C. A. when the nine teams are to be represented and to be entitled to vote.

The plans are to have both leagues ready to start during the week of November 16th to 22nd. Each team is to come to the meeting prepared to enter their team officially, and also to have suggestive names of referees.

HALIFAX CHILD  
KILLED BY AUTO

Six Year Old Son of Deputy Provincial Secretary Knocked Down and Run Over—Chauffeur Arrested.

Halifax, N. S., Oct. 29.—The six year old son of A. S. Barnstead, Deputy Provincial Secretary, was killed on Spring Garden Road this afternoon, an automobile striking and knocking him down. The car passed over the little fellow's body. Chief Justice Harris was passing at the time and ran out on the street, picking the child up. He took him to the Victoria General Hospital where he died a few minutes afterwards. The chauffeur was arrested and afterwards was released on bail.

SITUATION ON THE PETROGRAD FRONT REPORTED STABLE

London, Oct. 30.—(Russian.)—The situation on the Petrograd front is reported in official advices received here to be stable. It is asserted that the Bolshevik attack with heavy concentrations, which forced General Yudenitch's gray back appears to have exhausted the Reds, whose losses were very heavy.

C. G. Liansow, head of the government of Northwest Russia, has arrived in Heisingfors from Reval on a British torpedo boat destroyer to enter into direct negotiations for Finnish intervention. M. Jail-Breaker And  
Companion Caught

Edgar Barcham and Confederate Caught in Boston Yesterday—Broke from County Jail Last Month.

Edgar Barcham, who escaped from the county jail early last month through the help of a woman confederate, was arrested in Boston with the woman, and will be brought to this city this week.

The fugitive, it will be remembered, was sentenced to a period in the county jail for stealing goods from the store of W. H. Thorne & Co., where he was employed, on the night of June 24. After spending some time in the jail, where he was visited each week by the woman in question, he managed to escape through the aid of a steel-cutting hack saw, vaseline and acid, which was later supposed to be smuggled to him by his confederate.

A member of the local force, following receipt of the news of the criminal's capture by Chief Smith, was sent to Boston to take custody of the man.

JAPS PLEASED WITH ACTION OF U. S. SENATE

Rejection of Amendment to the Peace Treaty With Regard to Shan Tung Hailed With Delight.

Tokio, Oct. 29.—(By the Associated Press.)—The rejection by the United States Senate of the amendment to the Peace Treaty with regard to Shantung brought forth in Tokyo many exclamations of pleasure, both in official and private circles. The hope is expressed in official circles that China will reconsider her attitude and sign the Peace Treaty and also decide to enter into negotiations with Japan concerning the restoration of Shantung.

EXPLOSION ABOARD JAP WARSHIP

Tokio, Saturday, Oct. 25.—(By the Associated Press.)—The manoeuvres of the entire Japanese navy, in which the Emperor participated, were marred by an explosion today on the battleship Hyuga in Tokyo Bay. Fourteen men were killed and thirty injured.
