Ayer's Sarsaparilla.

For Purifying the Blood, nothing has ever been offered which can compare with this Extract or Sarsaparilla. It is found a great prometer of health, when taken in the spring, to expel the humors that rankle in the system at this season of the year. Many complaints have their origin in the spring, and in the causes above mentioned, for which no better remedy has ever been devised. By its seem ultitudes can spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system strives to rid itself of corruptions, if rot assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores: cleanse it when you find it is obstructed and sluag sh in the veines; cleanse it whenever it foul, and your feelings will tell you when. Even where no particular disorder is felt, people of joy better health, and live longer, or cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disorder it, there can be no lasting health. Propared by DR, J. C. AYER & CO.
