Our ORGANS were awarded the DOMINION MEDAL AT PHILADELPHIA in 1876, for PURITY OF TONE. WON SIX PROVINCIAL PRIZES. They have no equal for TONE in the Dominion—no Superior in America. They are the most POWERFUL REED ORGAN manufactured, yet soft, full, round, deep, and sweet-toned,—having the GRAND ORGAN SWELL, which enables the performer, in an instant, to swell the tone from a whisper to a grand burst of harmony. Church Organs a specialty. Pianos, Church, and other Organs Tuned and Repaired, and for Hire cheaper than any other house in the Dominion. Instruments Warranted Six Years, and exchanged at any time.
