WASHING WON'T RID HEAD OF DANDRUFF

\*\*\*\* The only sure way to get rid of dandruff is to dissolve, it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon apply it at night when retiring use enough to moisten the scalp and rub it in gently with the finger tipe.

Do this to-night, and by morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter bow much dandruff you may have.

trace of it, no matter bow much dandruff you may have.
You will find, too that all itching and digging of the scalp will stop at once. and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.

Nothing Like Plain Bitro-Phos-phate to Put on Firm, Healthy Flesh and to Increase Strength, Vigor and Nerve Force.

Judging from the countless prepara-tions and treatments which are contin-ually being advertised for the purpose of making thin people fleshy, develop-ing arms, neck and bust, and replacing ugly hollows and angles by the soft curved line: of health and beauty, there are evidently thousands of men and women who keenly feel their excessive thinness.
