GOSSIP.

DUNROBIN CLYDESDALES, SHORT-HORNS AND YORKSHIRES.

Dunrobin Stock Farm, the property of Messrs. D. Gunn & Son, of Beaverton, Ont., the well-known importers and breeders of Clydesdale horses, Shorthorn cattle and Yorkshire hogs, was visited by a representative of "The Farmer's Advocate" a few days ago. This splendid farm, comprising 600 acres of rich grain and grazing land, is situated on the shores of Lake Simcoe, about one mile from Beaverton, G. T. R. and C. N. R. stations. Very few, if any, stock farms in Canada are equipped with a more extensive and modern set of farm buildings than those of Dunrobin, which are strictly up-to-date in every particular, a 20-h.p. steam engine being installed, from which power is generated for chopping, cutting, etc. The stables are all concrete, thoroughly ventilated, with abundance of light, the whole arranged on modern lines for the care and comfort of their large and rapidly-increasing herds of pure-bred stock. In Clydesdales, just now are 22 registered brood mares, 15 of which are imported, and probably on no other one farm in Canada can so many high-class Clydesdale brood mares be found together, each one selected for individual excellence, representing Scotland's and Canada's richest blood. The Messrs. Gunn, being business men and knowing that success in any line is only assured by handling a class of goods that will stand comparison with the best of the world's product, purchased only such foundation stock as came up to their standard of excellence, regardless of cost. We cannot undertake here to individualize this great number. Suffice it to say that several of these mares were winners at Toronto last fall in the strongest competition ever seen at that great show. Several are now being fitted for competition this fall, when we expect to see them fully sustain the honor of their splendid home, Dunrobin. Nearly all these mares are now suckling foals, a number of which are imported in dam, the others being the get of that champion of America, Imported Royal Baron. We feel that a word or two is due the two-year-old, imported-in-dam stallion, Dunrobin, by Majestic, dam imported, by Acme. He simply has style, quality and action to give away, and with it all is one of the sweetest-turned colts alive. All these youngsters will be for sale, together with a number of one- and two-year-olds.

The Shorthorns are an exceptionally nice lot, straight Scotch bred, representing such fashionable strains as the Nonpareils, Urys, Marr Roan Ladys, Cruickshank Clippers, Missies, Lavenders, Bellonas, Mayflowers and Villages, six of the breeding cows being imported. All told, there are 35 head, up-to-date in type, and all in grand condition. The stock bull is Prince Sailor, winner of second prize at Toronto last fall in the senior bull calf class, sired by the great stock bull, Sailor Champion, a son of that prince of sires, Royal Sailor (imp.), dam by Imp. Prime Minister. For sale are a number of heifers; show stuff among them. Also, there are several young bulls coming on, nearly all sired by Imp. Ardethan Royal, and some of them out of imported dams, a superior lot, and very desirable as herd-headers. In Yorkshires, there are some 35 brood sows of the following families: Lady Frost, Queen Bess, Princess Lily, Mollington Lady, Fame and Lady Violet. Words of commendation as to their quality and type would be superfluous. In short, they are typical of the best of the breed. The main stock boar is the massive, long, deep, strong-boned hog, O. L. Questor, a son of Imp. Dalmeny D. C. 2nd. For sale are almost any number of either sex, or age, and pairs not akin. The farm is connected by long distance 'phone.
