will restore your strength. It will give back the old vigor of youth. The loss of your health causes Kidney Trouble, Rheumatism and Stomach ailments. You know it's a loss of vital power and affects every organ of the body. Most of the ailments from which you suffer can be traced to it.

The confidence I have in the wonderful curative powers of my Belt allows me to offer any man or woman who can give me reasonable security the use of the Belt at my risk and they can

PAY WHEN CURED

I have cured thousands who have squandered the savings of years in useless doctoring.

My Belt is easy to use; put it on when you go to bed; feel the glow of heat from it (no sting or burn, as in the old-style belts), and you feel the nerves tingle with the new life flowing into them. You get up in the morning feeling like a ten-year-old.

What ails you? Write and tell me, and no matter where you are I think I can give you the address of some one in your town that I have cured. I've cured thousands, and every one of them is a walking advertisement for my Belt.

Those who have used it recommend it, because it is honest. It does great work, and those whom I have cured are the more grateful because the cure costs so little.

Dr. McLaughlin,

Dear Sir:—Your Belt is a wonder. My bleeding piles are all gone, the catarrh of the nose and throat have disappeared, and in fact I am in good health. I worked hard all last summer, and my neighbors say "That Belt you got was the best investment you ever made." and I hope you may keep right on helping suffering humanity. It has relieved my indigestion, that always bothered me so very much. I will always recommend your Belt to anybody with indigestion, for I used to suffer unto agonies. I will say that that life preserver you sent me was a Godsend to me, and when I was dying it brought me back to life again when many gave me only a month to live, and your Belt is still keeping me living.

Dr. McLaughlin,

Dear Sir:—I am pleased you sent us your Belt. It has done us both a lot of good. I am sure my back and kidneys are much better. I don't feel the same as before. My husband also feels so much better. Thanking you for your kindness to us, I feel I can recommend your Belt to my friends.

Dr. McLaughlin,

Dear Sir:—I am pleased to say that one year and eleven months has passed since I stopped wearing your Belt, and I can say that your Belt has cured me permanently of my different ailments, such as nervousness, heart and kidney troubles, indigestion, sick headache and other ailments. I have not been troubled with any of them since, nor have I felt the effects of them since I stopped wearing the Belt. I always answer all who ask me about the Belt, and there have been several who have written to me. I do this cheerfully and will continue to do so as long as they send me a stamp for reply. Wishing you success in the future, I remain

Synopsis of Annual Report.

On another page of this issue appears a synopsis of the report for 1907, issued by The Great-West Life

Assurance Company. To all who have at heart the progress of Western Canada this report must be especially gratifying, since the Great-West Life is a Western Company, managed by Western men, and is, moreover, accomplishing a great work in the development of the West by bringing in a large amount of money from the East and elsewhere for investment in mortgage security in Western Canada, and is thus taking a part in the upbuilding and progress of this portion of the Dominion. The report points to a year of unprecedented progress and it is seen that the insurance held in force by the Company is now considerably over Thirty-five Million Dollars. This as a record of fifteen years, is undoubtedly one of which the Company may well be proud, as also of the fact that in 1907 The Great-West Life has, as appears, established a new record for life insurance in Canada in the amount of business written.

Something in a Name.

Recently in England the mind of the public has been much exercised as to the correct pronunciation of the word "Bovril" the name of the well known preparation of beef. A consensus of opinion has been obtained by the proprietors of the preparation. As many as 90,640 voted for "Bov-ril" and that

seems to have been the favorite pronunciation. A Mrs. Brain, of Shirehampton, near Bristol, secured a prize of \$100 by giving the exact number of the majority voting for "Bov-ril." Whether pronounced "Bo-vril" or "Bov-ril" the preparation is very acceptable at this time of the year.
