Larry Getting Busy.

New Warren, Rouleau, Sask., May 21, 1907.
Editor.—Although not a subscriber, I have been a constant reader of your valuable and interesting magazine. I am a young bachelor, 25 years of age, fair complexion, blue eyes, brown curly hair, and don't believe in tobacco or whiskey. Kindly forward enclosed to "Irish Molly."

A Useful Kind of Girl.

Editor.—I have been a constant reader of your most valuable paper for a considerable time and I have followed with much interest the letters from your many readers. I am much interested in the letter of "Bachelor 23" in your April number, or "Young Bachelor No. 10." I am used to farm work, but I quite agree with "Bachelor 23's" idea of a wife. There is plenty of work indoors for a woman to do unless in a busy time and I am sure any woman would be willing to help either milking or anything else then. Please forward my letter addressed to either, and if they see fit to correspond with me it will be a pleasure to me.
"Brown Eyed Lassie."

Tommy's Got it Bad.

Penhold, Alta., May 20, 1907.
Editor.—I am a young fellow in the West looking for a pretty girl. I live with my mother and older brother and I would so like a pretty wife to love me. I wouldn't ask her to work hard. We'd go to a dance every night in the week if she wanted to. I am about 5 feet 8 inches tall and have dark hair and light eyes. I would like a girl about 21 years old, with dark hair and dark eyes, about my own height and well-proportioned. I would like to correspond with "Western Cow Girl," as I think she would suit all right, if she will please write first.
"Tommy No. 1."

"Casey", You're Too Young.

Penhold, Alta., May 23, 1907.
Editor.—I am an interested reader of your correspondence column and have decided to join it. I am a hard working young man earning enough to keep a woman fine. I would like to get a nice young woman about seventeen, not

necessarily pretty. I am eighteen years of age, five feet six inches tall and have dark hair and dark eyes and am considered a great match for any girl. The girls around here are not very anxious to get married and are all too old for me. I am at home but am going to strike out whenever I get a young girl to go with me. Hoping "Berry," of Minto, Man., will write to me.
"Casey."

I am nineteen years of age and good looking, my weight is about 130 pounds, and can do all kinds of housework. I am very fond of amusement, especially dancing. I do not care for a man who uses tobacco or liquor, but would like to correspond with some nice fellow.

A Billet-doux for Sandy.

Dunnville, Ont., May 30, 1907.

Editor.—I am a subscriber to your paper and have for some time followed the correspondence page with quiet enjoyment. Now, I have seen a letter in your paper written by a young gentleman who signs himself "Sandy," and who wishes for a correspondent. Will

you please forward the letter I shall enclose to him? Thanking you for your cheery paper and hoping I shall hear from the young man shortly, I remain respectfully yours. "Forget-me-not."

Violet Throws Out Line to "Jolly Boy."

Wapella, May 28, 1907.

Editor.—I am a reader of the Western Home Monthly and see some very interesting pieces in the correspondence page. I am a young lady of fair complexion and have blue eyes, am about five feet four and a half inches tall and I am twenty-one years old. I can keep house very good and am a good cook. I am a girl that takes things as they come, and am not particular if things go a bit rough for a year or two. I play the piano but prefer the organ. I would like to correspond with "Jolly Boy," Brandon.

A Chance for A Protestant.

Alberta, May 22, 1907.

Editor.—I have read your correspondence columns with considerable interest and wish to join your circle. I would like to become acquainted with some farmers or ranchers, about forty years of age or over, Protestant, men who do not use liquor or tobacco. Would exchange photographs. I am a Canadian.
"Estelle."

Nancy Would Shake Old Ontario.

Lanark, Ont., May 30, 1907.

Editor.—I take much pleasure in reading your paper and prefer it to any other. My brother in the West first sent it to my sister and since that time it seems we can't do without it.

I take delight in the correspondence column, "tis just too sweet for words" —surely they don't mean all they say. I'm in sympathy with "Lumber Jim," January issue, and if I was near by and was "fancy" enough I'd really sooner have him than the fellow with the new boots, sure. I intend going West next summer to visit my brothers and if I can get a real nice bachelor, I'll say farewell to Ontario.
"Nancy."
