The Warp Zone

The Warp Zone

Hi. As creator of The Warp Zone, I thought I'd use my strip this week as a public service spot, since midterms are on their way. I have an easy-to-follow recipe for a main dish and a dessert! Try it!

INGREDIENTS:
1/2 lb. ground beef
1 can cream soup (any flavour)
1/3 lb/ noodles or macaroni.

- Brown beef in frying pan Drain well Add can of soup (UNDILUTED!!) Mix well and simmer. At same time, start noodles according to package directions When noodles are cooked: drain, put into bowl, add beef/soup mixture, and mix well. Makes two servings

For Dessert: CHOCOLATE MOUSSE!

The hardest part, of course, is dipping the moose into the chocolate...
