OFFICE OF THE
Chief Inspector of Indian Agencies,

Winnipeg, August 4th,

466059

Secretary,
Department of Indian Affairs,
Ottawa, Ont.

Dear Sir:

Referring further to the cord wood cut by McMillan Bros. at Le Pas on surrendered Indian lands, and later seized by our Agent, you wrote me that our Agent had no authority from the Department to seize this wood. I wrote him asking under what authority he had seized the same. His reply is to the effect that he had authority from you to seize the wood. McMillans want the wood released and as the lands on which it was cut are surrendered by the right-of-way I think authority should be given to Mr. Taylor to release it.

Yours, etc.

Glen Campbell
Chief Inspector. *per JB*
