I have your cards for the Baron  
and I am glad to hear that  
your daughter is enjoying her  
new life.

With my best congratulations  
for your bright prospects, which you have  
probably realized by this time.  
Yours very sincerely,  
W. L. Mackenzie King

Dear Mr. Mackenzie King,

Yours of the 5th May to hand  
and am glad to know that you have fully  
enjoyed your visit out here. Mr. Pres-  
ton leaves Yokohama this afternoon. He  
was entertained together with Mr. Harris  
at Mr. Ishii's last Sunday.

The news of my appointment to  
a Resident Commissioner at Taikow, Korea,  
will rather surprise you and my friends  
at Ottawa, and another news to impart  
with you is the marriage of my second  
daughter to Mr. S. Koderu, a younger  
brother of Mr. K. Koderu, a well known  
real estate owner in Kobe and a member  
of the Imperial Diet. The young couple  
will make Yinkow, China, their permanent  
residence for some years, until the  
business there is fully on swing. I  
have thus got two of my daughters well  
married, and my duty is only to look  
after their future welfare.

I regret to find the papers  
you have sent me are not delivered to me.  
I wonder what has become of them. We  
would all be very much interested to  
read your interview.
