Our beauty in this  
county is looking for a nomi-  
nation & will likely get it!!  
It ought to be easy to defeat  
him.

My wife joins in  
wishing you best regards & the  
compliments of the season. When  
you have time I wish you would  
give your view of the situation

Yours very truly

a rapid recovery but solid  
& gradual giving evidence each  
month of improvement. In fact  
after a year I feel better  
in many respects than before  
I was really taken down. We  
expected to go South before now  
but I have been detained here  
waiting for an important
