

1329

I think it not at all
improbable that all these
results will be attained -
then comes our triumph.

I cannot understand
why Lareyton did not
write you as I arranged
it all with Rose long
ago. Rose will be here
on Monday & I shall
speak to him again.

Wishing you very
many happy returns
of the Season for you
& yours

Believe me

Sincerely yours

John Amundson
