Re: Treaty Payments - 1945 - Churchill, Manitoba.

---

The Commissioner, R.C.M.P., OTTAWA.

FORWARDED 5-6-45 for your information. May a copy of this report please be forwarded to the Department concerned with the request that the necessary authority be granted for the use of Canadian Pacific aircraft for the patrol in question. Enquiries have revealed that the Canadian Pacific Airlines are at present unable to set a date for their annual freighting trips into the area in question, nor will they be able to give a date until a week or so before the trips begin. However, it is not expected that the trips will commence before the first of July.

May we, therefore, receive the necessary authority so that the party at Churchill could take advantage of the service when same is available. "
