

August 20, 1914.

Sir,-

I beg to inclose copy of a resolution by the Alnwick band, in regard to the purchase of part of lot 12, Con. 4, in the township of Alnwick, containing 38 acres, for the sum of \$800.00, and also copy of agreement for sale by Mr. George T. Linton, the owner of the property, and I have to request that you will kindly have the matter placed in the hands of your local agent for investigation of title.

Upon the Department being advised that the title is clear, a cheque for the amount will be forwarded, to enable the purchase to be completed.

I may say that full information in the matter may be obtained from Mr. Walton Lean, local Indian agent at Rosemeath.

Your obedient Servant,

[Handwritten Signature]
Deputy Superintendent General
of Indian Affairs.

The Deputy Minister of Justice,
