DEAR SIR,—In reply to your question *re* St. Johns Sewer Pipes, I beg to say that in the town of Parkdale I used about 8000 feet of said pipe, (15 inch), the same having been furnished by you to Contractor Farly, and was well satisfied with them. I consider them a good, serviceable pipe.

To the President Standard Drain Pipe Company, St. Johns.

DEAR SIR,—In reply to your request as to my opinion of your make of Drain Pipe, I have much pleasure in stating that I have used them, and am using them daily. I consider them much better than any European Drain Pipe I have ever seen. As to their strength and durability, I have no hesitation in saying I believe them to be unwearable and indestructible.

Respectfully yours,
