APPLE TREES

And Other Fruit Trees, Etc.

IF you intend planting trees next spring, be particular of the kind and grades you order, be sure they are grown right, are healthy, clean and backed by a dependable and reliable company. E. D. Smith's trees are grown from stock known to be true to name, and produced on the choicest land in the Niagara fruit belt. The Nurseries (900 acres) have been inspected thoroughly by government inspectors, and pronounced free from injurious pests, so that we are able to guarantee our stock "absolutely clean and healthy." This stock costs no more than inferior, poorly grown trees of doubtful parentage. If you are not familiar with the best varieties for your section, will be pleased to assist you, and any assistance from us will cost absolutely nothing, and does not place the writer under any obligation to purchase.
