

ALL ROADS LEAD TO REGINA

The position of Regina as a railroad and distributing centre is such that her future cannot be adversely affected by the development of any other cities or towns in the West, the growth and expansion at other points simply ensuring increased trade to Regina.

With the Canadian Pacific Railway, Canadian Northern Railway and the Grand Trunk Pacific and their many branches, Regina is easily the most important railroad centre west of the Great Lakes.

The importance of Regina's position as a railroad centre will shortly be given practical recognition in a manner that will be a surprise to even her most ardent supporters. Take advantage of this tip before real estate values are affected by the public announcement of it.
