TO THE PUBLIC. An Effectual and Never-failing Cure for Erysipelas.

THIS SUBSCRIBER has for some time prepared a medicine for the cure of ERYSIPELAS, and ERUPTIONS OF THE SKIN, which has not only effectually cured them, but she destroys that those who are afflicted with what, in many cases of that disease, is considered incurable, and that all who are suffering from its attack, may have the benefit of the WONDERFUL POWER OF HEALING OF THIS MEDICINE, and removing all traces of ERYSIPELAS OF SAINT REEMUN.

It may be procured from any of the following AGENTS: John Naylor, Esq., Halifax; Andrew Henderson, Esq., Annapolis; Daniel More, Esq., Kentville; William H. Troop, Esq., Wolfville; Elder Samuel McKewen, Barrington; T. R. Pattillo, Esq., Liverpool.

CERTIFICATES. Of persons who were suffering from severe attack of Erysipelas, who had tried the many remedies, which are usually prescribed from which they found no relief, but on applying Mrs. BERTHAUX'S MEDICINE were effectually cured.

This is to certify, that I have been afflicted with the Erysipelas, or the Salt Rheum, as the Doctors call it, for ten years. My hands were frequently so diseased, that I could make no use of them, and employed several physicians, but to no purpose as my suffering only increased. I applied Mrs. BERTHAUX'S MEDICINE for a short time and was soon cured of every vestige of the disease.

ANN S. WHEELLOCK, Nictaux, August 5, 1847. This is to certify that my wife was attacked with Erysipelas in the face. I applied Mrs. BERTHAUX'S MEDICINE, and the first application stopped the progress; and, continuing to use the medicine, in less than a week my wife was quite well.

WILSON, May 15, 1850. This is to certify that my son was severely afflicted with the Erysipelas in his leg last summer, so badly that he scarcely slept for five successive nights. I then procured some of Mrs. BERTHAUX'S MEDICINE, and applied it, and in the course of one week, the boy was well; and I verily believe if I had not used the above Medicine, that he would have lost his life.

ANNAPOLIS, January 3rd, 1851. This is to certify that my daughter about a year ago had a very severe attack of Erysipelas in her head and face, so much so that there was left no hope of life. Medical aid was called, but the word was, that all was over as the dreadful disease had overpowered the brain, and she was raging distracted. In this extremity I had accidentally heard of Mrs. BERTHAUX'S MEDICINE, and applied it, and in a few days, the swelling was gone, and her natural colour returned, and she is now alive and well.

JUDSON'S CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT, FOR THE CURE OF Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION.

DO NOT NEGLECT IT. CONSUMPTION. Can and has been cured in thousands of cases by JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT, and no remedy has ever before been discovered that will certainly CURE CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated, and the case so utterly hopeless, as to have been pronounced by Physicians and friends, to be past all possibility of recovery, have been cured by this wonderful remedy, and are now as well and hearty as ever.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough, and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men and the inventions of kind and sorrowing friends and Nurses, have failed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have only proved palliatives, but this medicine is not only a palliative but a cure for ulcerated lungs. It contains no deleterious drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as Spitting of blood, coughs, pain in the side, night sweats, &c. &c.

About 1000 certificates of almost miraculous cures, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like Quackery, [we will show them to any person, calling at our office.] This medicine will speak for itself and enough in its own favour wherever it is tried.

CAUTION—This medicine is put up in a large bottle, and the name of Judson & Co., Proprietors, New York on the splendid Wrapper around the Bottle. All orders must be addressed to Constock & Brother, No. 9 John Street, New York.

Sold wholesale for the Proprietor in Nova Scotia at Morton's Medical Warehouse, Halifax; in Windsor by Mrs. Wiley; in Dartmouth by D. Farrell, and by one agent in every town in N. S. and N. B. Enquire for Constock's Almanac for 1852 which is given to all gratis. 105 July 12.
