**Labatt's India Pale Ale**

Is an excellent nutrient tonic. Physicians desiring to prescribe will hardly find anything superior to this.—*Health Journal.*

"We find that the Ale uniformly well agreed with the patients, that it stimulated the appetite, and thereby increased nutrition. The taste likewise was always highly spoken of. In nervous women, we found that a glass at bedtime acted as a very effective and harmless hypnotic."—Superintendent of large United States hospital.

Wife's got a Souvenir Range

**\$155**  
 in Five Prizes

We want to influence Canadian housewives to tell their sisters the good time they have with a Souvenir range, and are offering \$155 in prizes for those who will write the best essay on the Souvenir range and its aerated oven. Circular giving particulars of contest and a booklet describing very fully all the good points of the Souvenir will be given free on application to any of the agencies of Souvenir anywhere in Canada, or will be sent direct on application to the manufacturers

Men spend the larger part of a lifetime in store or office. The average woman must needs give a generous share of her time to the kitchen. The chief article of furniture—and usefulness—in the kitchen is the stove. Compel the good wife to worry along with a fifth rate range, that is an eyesore as well as a mental anxiety day in and day out, and you are fast cutting short her lifetime.

When a SOUVENIR range is installed in the kitchen it is a thing of beauty and a joy forever. These stoves are beautifully finished and an ornament to any kitchen. Best of all—the only stove with the celebrated

**AERATED OVEN**

they perform every detail of kitchen work with a completeness that makes life in the kitchen a source of joy and happiness.
