## A REMARKABLE INVENTION FOR THE Culture of Hair

THE EVANS VACUUM CAP is a practical invention constructed on scientific and hygienic principles by the simple means of which a free and normal circulation is restored throughout the scalp. The minute blood vessels are gently stimulated to activity, thus allowing the food supply which can only be derived from the blood, to be carried to the hair roots, the effects of which are quickly seen in a healthy, vigorous growth of hair. There is no rubbing, and as no drugs or chemicals of whatsoever kind are employed there is nothing to cause irritation. It is only necessary to wear the Cap three or four minutes daily.

### 60 DAYS' FREE TRIAL!

**The Company's Guarantee:**

An EVANS VACUUM CAP will be sent you for sixty days' free trial. If you do not see a gradual development of a new growth of hair, and are not convinced that the Cap will completely restore your hair, you are at liberty to return the Cap with no expense whatever to yourself. It is requested, as an evidence of good faith, that the price of the Cap be deposited with the Chancery Lane Safe Deposit Company of London, the largest financial and business institution of the kind in the world, who will issue a receipt guaranteeing that the money will be returned in full, on demand, without questions or comment, at any time during the trial period.

The eminent Dr. F. N. LOVE, in a address to the Medical Board on the subject of Alopecia, states of hair, that if a means could be devised to bring nutrition to the hair follicles that could be applied without resorting to any irritating process, the problem of hair growth could be solved. Later on, when the EVANS VACUUM CAP was submitted to the Board for inspection, he remarked that the Cap would fulfil and confirm in practice the requirements he had previously made before the Medical Board.

Dr. W. A. WATSON, in a report on the invention, says that the principle upon which the Evans Vacuum Cap is based is absolutely correct and indisputable.

The Evans Vacuum Cap will be sent post free, on application.
