

Start the New Year

using a

Hoover Suction

Sweeper

—Saves time — Saves labor
—Saves carpets

See it demonstrated on our Fourth Floor.

It's different from other sweepers in as much as it beats, as it sweeps, as it cleans.

You are tired of the old-fashioned way of cleaning carpets and the back-tiring job of picking up the lint, etc.

The Hoover saves all that, and it restores the colors in the carpets, straightens the nap and keeps the carpet looking like new.

It puts happiness into the home by the greatest labor-saving suction sweeper ever made.

It carries with it the true spirit of the new resolution of the New Year—to save labor—and as a gift for the home it cannot be equalled. Send one home today. Cash or terms. —Fourth Floor
