We have already received a complete new stock, which will be placed in the shelves during this week, but can be supplied at once if necessary. Our sale of damaged goods will be continued at the rear store until sold out.

Since the fire we have been compelled to sell at guess prices, but we feel our customers have received good value, but in case any persons think otherwise and are not satisfied, we would consider it a special favor if they would report either personally or by letter and we shall be pleased to straighten up satisfactorily.

We have been great losers by cause of the fire, nevertheless do not wish to make this any excuse for not carrying out our usual policy which has always been our aim, to give our Customers good value for their money.

Watch for 'The Mail and Advocate' NEXT WEEK.

All over the Island, people are tired of poor rubbers. They want something which they will find difficulty in wearing out. That is why, before they buy a pair of rubbers next winter, they will "look for the Bear." When they see the mark of the Bear, they will know they have something they can depend on. Next week we shall begin to publish a list of the towns and villages in Newfoundland where BEAR BRAND Rubbers will be on sale this fall and winter. Look for the name of your town. If it is there, you can be sure of having a small "rubber bill" next winter.

LOOK FOR THE BEAR-'TIS ON EVERY PAIR.
