OUR COUNTRY FRIENDS COUNTRY STORE

Do you remember the big night at the Nicklet Theatre about this time last year when our Country friends gathered together a large amount of farm produce which was distributed to the patrons of the theatre who held the lucky numbers. Well, another such event will take place on Thursday evening of this week. Our good country friends are bringing boxes of apples, bushels of vegetables, carrots and turnips, packages of butter and eggs, poultry, beef, etc., all fresh products of the farm. Last year there was about twenty prizes. On Thursday night there will be as many prizes and possibly more. The Peerless Quartette will render selections and a special picture bill will be presented including a Charlie Chaplin comedy.

Dr. Michael Clark in an address at Edmonton said that Hon. F. B. Carvell would be the next leader of the Liberal party in Canada. In Dr. Clark's opinion neither he, nor Mr. Carvell, nor any other Liberal has dropped his Liberalism by making the winning of the war the supreme issue in their minds at the present time.

Immanuel Baptist Church at a special business meeting last evening in the Church Vestry unanimously extended a call to the Rev. Brice D. Knott of Mahone Bay, to their vacant pastorate. The church has every reason for believing that Mr. Knott will soon be added to the list of Truro Preachers.

KENTVILLE "Y" IS ENTERTAINED

On Thursday evening, Oct. 25th a number of the young people of the town responded to the invitation of the W. C. T. U. to meet with them at the residence of Mrs. A. L. Pelton. After a well rendered musical program, Mrs. Pelton introduced Miss Eleanor Smith, Provincial "Y" secretary. Miss Smith in her winsome and sincere manner made a strong appeal to the girls for renewed zeal for the work, she represents. She pointed out that at the beginning of the present war, W. C. T. U. work had been taking a secondary place. Now the workers had come to realize that the principles for which W. C. T. U. and its branch society stand are not only strong forces in helping to bring the war to a successful issue but are also important factors in the future welfare of our beloved Canada after the war is over. Then followed a discussion of the different phases of the work that might be accomplished by an enthusiastic Kentville "Y" and a meeting for the election of new officers was appointed for the following Monday. A delicious lunch contributed to the spirit of sociability pervading this informal gathering. Let us hope that such a widespread interest was created that still a larger number of girls will become identified with the Kentville "Y" and help to make it a very effective power in these times of stress.

DAGON HAS FALLEN

It is more than a coincidence that many things that are happening today have their parallel in ancient history. In that book which is the source of everything most valuable in the life of the world it is recorded that, on a certain occasion, "when they of Ashdod arose early on the morrow, behold Dagon was fallen upon his face to the earth before the ark of the Lord. And they took Dagon, and set him in his place again. And when they arose early in the morrow morning, behold Dagon was fallen upon his face to the ground before the ark of the Lord; and the head of Dagon and both the palms of his hands were cut off upon the threshold; only the

stump (i.e. the fishy part) of Dagon are not in the habit of bowing the knee to this modern Dagon, to note the efforts of his devotees to set him up again.

This story is suggestive of the condition of the Dagon of partyism in our country at the present time. He has had a multitude of devoted worshippers, who have tried to bolster him up, but war conditions have disclosed his rotteness, and before the sentiment of an awakened conscience, he has fallen, and is sprawling all over the lot. It will be exceedingly interesting to those, who Of 200 prisoners, who recently escaped from Hun prisons, 175 were Canadians.
