WEDDING BELLS

The following from the Kelowna Courier of B. C., tells of a pleasing event concerning Capt. Rufus Lamont Davison a native of Kings Co.

Davison—Leckie

The Presbyterian Church was the scene of a very pretty wedding at 10.30 Wednesday morning, when Miss Dattie Loraine Leckie eldest daughter of Mr. D. Leckie was united in holy matrimony to Capt. Rufus Lamont Davison of Vancouver, the Rev. E. D. Braden performing the ceremony. The bride, who entered the church on the arm of her father to the strain of Lohengrin's "Bridal Chorus," played by Mr. H. Tod Boyd, looked very charming in a suit of pearl grey taffeta, with hat to match, and carried a bouquet of cream roses. She was attended by her sister Miss Majorie Leckie, who wore a pretty dress of pink crepe de chene, and carried a bouquet of roses to match, while Pte. D. Hinckson attended the groom. During the signing of the register Mrs. J. N. Thompson sang a solo, "Because." After the ceremony a wedding breakfast was partaken of at the home of the bride's father, after which the happy couple motored to Vernon, taking the train from there to the coast.

Naturally both the bride and groom have been the recipients of a large number of presents and good wishes from an extensive circle of friends both here and at Vancouver. Capt. Davison has enlisted for Overseas service as dental surgeon to the Canadian forces and special leave was obtained for his wedding trip. Capt. and Mrs. Davison will reside at Vancouver while military duty permits.

Lyons—Legge

Rev. H. Carter, Pastor of the Perea Baptist Church officiated at the wedding of Miss Cora E. Legge and Pte. Ralph S. Lyons.

The wedding occurred at 2 p. m. at the residence of the bride's father Mr. Benjamin Legge. The double ring service was used. Only the very intimate friends and relatives were invited.

The young couple were attended by Miss Reta Lyons sister of the groom and Mr. Bennie Legge brother of the bride.

The bride looked charming in a hand embroidered dress of white

No part of the county responded so nobly and so freely in the Red Triangle campaign. The Red Cross came but a short time after and again Wolfville exceeded its allotment by about one hundred per cent

The success of the campaign is due to a great number of citizens male and female young and old. It shows what can be done by united action.

Dr. E. M. Keirstead, and Mrs. Keirstead of Toronto who have been visiting in Wolfville were in Windsor last week attending the funeral of Miss Sarah Benne.

TOURIST TRAFFIC

The volume of tourist traffic from the United States this year has been considerably lessened by misleading press dispatches appearing in American and Canadian papers regarding the Canadian Registration Act. It was unwarrantably stated that visitors to Canada from the United States would be compelled to register at a post office before they could secure accommodation at a hotel, that passports were absolutely necessary, and more recently the absurd rumor was widely circulated that women from the United States would not be allowed to retrace home. This latter ridiculous report is specifically denied by Mr. W. D. Scott, Superintendent of Immigration, who officially designated it as "absolutely without any foundation in fact." Senator Gideon Robertson, a member of the Dominion Cabinet, and Chairman of the Registration Board, is equally positive in his denials of the other mischievous reports. The actual facts are, according to the official statement of the Registration Board, that the Registration Act applies only to people permanently resident in Canada and does not affect even remotely anyone living in the United States; that no registration at a post office is necessary, and that no passports are required. The possession of papers showing the holders to be American citizens is all that is necessary to cross into Canada. At the international boundary line the holders of these papers are given an identification card by the Canadian Immigration Officials, which enables the visitors to travel freely where they wish without any interference on the part of Canadian officials.

Senator Robertson, Chairman of the Registration Board, has announced that "neither in the instructions issued, nor the regulations for Canadian registration is there anything that would indicate desire or intention to impose restrictions upon Americans or aliens, entering, travelling in, or leaving Canada." "The experience of those American visitors who have already come to Canada verifies Senator Robertson's statement, but unfortunately there are many across the border who have not read this announcement, and may still be influenced by the false reports to stay at home, spoil their vacation, and cause a mutual loss to themselves and to Canada."
