C. H. BORDEN,
WOLFVILLE, N. S.

THE ACADIAN.

WOLFVILLE, N. S., MAR. 5, 1897.

Local and Provincial.

Winter is wearing away.

March came in "like a lion," the
mercury getting down to ten below zero
in the early hours of the first day.

Two or three of our young men leave
in a couple of weeks for British Colum-
bia. We hope that when they return to
their native heath their pockets will be
bulging out with Rossland gold.

(Beginning March first, the services of
the Prince Rupert will be four trips per
week, viz: Monday, Wednesday, Friday
and Saturday, leaving St. John for Digby
at 8 a. m. Returning leaves Digby same
day at 1 p. m.

For Sale—Upholstered Family Bleigh.
Inquire of X. Z. Chipman.

The next of the course of lectures being
given in the Presbyterian church of this
town will be held on Friday evening,
March 12th, when Rev. J. S. Black, D.
D., of St. Andrew's Presbyterian church,
Halifax, will speak on "American
Humor." The lecture will no doubt be
a most interesting one, and should be
well attended.

The new Methodist church, Kentville,
will be dedicated next Sunday. Rev. Mr.
Dobson, of Grafton St. Methodist church,
Halifax, will preach the dedication ser-
mon at 11 a. m., Rev. G. O. Huestis will
preach at 3 p. m., Rev. Wm. Brown, of
Horton, at 7 p. m. There will be con-
tributions taken at all the services in aid
of the building fund.

Neck Tie and Clove Sale. See

On Monday evening the members of
"Dyets" Band of Hope were invited to
meet with Wolfville Division. There
was a good attendance of young people
present and a pleasant evening's en-
tertainment was given. The Band is doing
a good work in our town and should be
supported by all who have the welfare
of the young at heart.

Our readers will be glad to learn that
arrangements have been completed by
which the Pink Jubilee Singers are to
appear in College Hall on Wednesday
evening next, March 10th. It is un-
necessary for us to say anything with
reference to the ability of this Company.
They are old friends who will always be
given a good reception in Wolfville.

Whitson & Frasse's Commercial Col-
lege stands among the leading business
schools in the Dominion, and is ever in-
creasing its efficiency as a means of pre-
paring young men and young women
for the best positions in the business
world. Send for catalogue to B. E.
Whitson, 95 Barrington St., Halifax.

The Wolfville Militia Company gave
their annual st-arms in Blanchard's Hall,
Kouville, last in Monday evening. The
audience was a very small one. The
society gave a first-class entertainment, and
were deserving of a larger patronage.
The net proceeds were "nil," so that the
Indian Female Fund is in about the
same condition as it was previous to the
giving of this entertainment.

Dr. L. R. Morse, of Lawrenceston,
was in Wolfville on Friday last. He
had with him a patient who was suffer-
ing from some lingering disease, whom
he brought to town to have Prof. Haley
make an X Ray photograph of. The
negative, which showed the exact loca-
tion of the diseased parts, would be a
great aid in determining what treatment
should be followed.

Local and Provincial.

First quality of cornmeal is now being
sold by the Farmers' Clubs in this county
at \$2 per barrel—a barrel of apples for a
barrel of meal.

Three Foreign Mission volunteer
students from the College have been in-
vited to hold a missionary meeting in
the Berwick Baptist church next Sunday
evening.

Mrs. Cobb will shortly vacate her
present residence on Gaspareau avenue
to take possession of the place at Green-
wich which she recently purchased from
Mr. Eddy Bishop.

J. F. Freeman, the only graduate
optician in Kings Co., has patients com-
ing to him from distant places to have
their eyes tested. His work has been
most successful.

The junior Wolfville hockey team
drove to Canning last night and played
a return match with the Canning team.
"Clint" Shaw skated a mile race with
Greeno, the Canning champion. We
were unable to obtain the results in time
for publication this week.

An executive committee composed of
representatives from the College Y. M.
C. A. and the Baptist, Presbyterian and
Methodist churches, is making arrange-
ments for the meetings to be held this
month by evangelist Gale. The meet-
ings are to be held in College Hall, and
every effort will be put forth to make
them productive of good.

On Monday evening a very enjoyable
"Cob-web Party" was given by Mrs.
Cobb, of this town, to the members of
the Senior class at the College. Since the
beginning of their collegiate course the
members of this class have become very
well acquainted with the hospitality of
Mrs. Cobb, having been every year enter-
tained by her in a similar manner.

The reception given by the Propylaeum
Society of Acadia College, on Friday
evening last, in College Hall, was a very
pleasant affair. A large number were
present, and all seemed to enjoy them-
selves. During the evening the versatile
entertainer, Mr. Dorcas Wallace, favored
the assembly with a humorous recita-
tion, which was received with applause.
A piano duet by Misses Coburn and
Seabourne also contributed to the en-
joyment of the occasion.

N. E. DAVISON & SON,
Windsor, N. S.

We have much pleasure in calling the
attention of our subscribers and friends
to the adv. of Mr. H. W. Cameron, drug-
gist and graduate optician, Halifax, N.
S., which appears in another column.
Although still a young man, he has by
constant attention to business built up a
large trade, and has more than a local
reputation for being a first-class druggist
and good business man. In connection
with his drug business he conducts a
large optical business, being a graduate
of the Optical Institute of New York.
He is every way prepared to meet the
wants of the people in this line, and the
thousands already wearing his glasses are
his best advertisement. We bespeak
for him a liberal share of your patronage.

Mr. C. A. Patriquin, the bustling pro-
prio of "Evangeline Beach," is making
preparation for improvements, looking to
a big season's work next summer.

A number of changes in the ownership
of property in town are reported, and
also of plans being made for the erection
of new buildings. At present
vacant dwellings are scarce.

Lothrop Wallace, of Avenport, in
default of payment of fine of \$50 and
costs in a Scott Act case was lodged in
Kentville jail on the 27th ult., to serve a
term of imprisonment, as the law directs.

A public meeting of the ratepayers of
the town of Windsor for the purpose of
voting a sum for the erection of a school
house was held in the Court House on
Tuesday afternoon. The sum of \$85,
000 was unanimously voted.

The February number of *Grisebach*
comes to us much improved in form and
appearance. This interesting publication
is published at St. John in the interest
of trade and travel. It has ever been a
welcome visitor, and now that it is to be
illustrated it will increase in interest.

Miss Mamie Nickerson, daughter of
John E. Nickerson, of Forbes Point,
Shelburne Co., died at Acadia Seminary
last Monday from appendicitis. Dr.
Black, of Windsor, and Dr. Farrell, of
Halifax, performed an operation last
week, but the patient sunk steadily un-
till death relieved her sufferings. She
had been a pupil at the Seminary since
August last, and was highly esteemed by
her teachers and fellow pupils.

ROCKWELL & CO.

The hockey match played in Aberdeen
Rink on Saturday evening last between
the Canning team and the junior "Wolf-
ville's" resulted in a score of 4-1 in
favor of the latter. The Canning boys,
considering their inexperience, played a
very good game, but were unable to suc-
cessfully cope with their more experi-
enced opponents. There was little team
play on either side, it being a sort of
"catch as catch can" game. Quite a
number of Canning sports accompanied
their champions, and cheered them fu-
sily during the game. During the in-
termission between the halves a mile
race between Ralph Shaw, of this town,
and young Greeno, of Canning, was
staged, the latter winning. Ralph went
off at a fast clip, but hadn't the stamina
of the Canning lad, who skated a good
race.
