DEATH OF MRS. FLETT.

Matron of the Infirmary at Vassar College, Dies Suddenly Sunday. A Beloved Woman.

Mrs. Helen H. Flett, for twenty years matron of the infirmary at Vassar college, died suddenly at the college Sunday. Her death was caused by heart failure following pneumonia. Mrs. Flett had suffered an attack of double pneumonia, but fully recovered and hoped to go next week to her home in Massachusetts, near Boston. The sudden fatal turn came so unexpectedly as to make her death a great shock, as well as a deep sorrow to everybody connected with the college.

During the long service as matron of the infirmary Mrs. Flett was as an angel of goodness to those who in any way came under her influence. By the students in general she was greatly beloved and, wherever the notice of her death shall reach a graduate or friend of Vassar College, it will cause sincere sorrow, such as hearts suffering personal bereavement alone can know. Mrs. Flett devoted her energies to the service in which she became so universally loved by all who have come and gone in Vassar college life during twenty years. She brought to the infirmary the sunshine of who'some life, and the sympathetic attention of a lovable, kindly woman. Her death is a loss not to be fully told in words. Her name is a memory of love to every heart in which Vassar and its memories have any place.

Mrs. Flett, who was sixty-five years old, was the widow of William Flett, of Nelson, New Brunswick. She is survived by three sons and one daughter, who is a graduate of Vassar college. —Poughkeepsie News-Press.

FIRE IN ART BUILDING AT LAIDES' COLLEGE.

SACKVILLE, N. C., Jan. 8.—At noon today a fire started in the cellar of the art building of the Laides College. It was found to have originated in some fire wood in the vicinity of the furnace. The water was poured in however, from the two hose and the fire was soon subdued. The damage to the building as far as can be ascertained, is not very great, but the pictures are badly smoked.

ADVANCE OF TEMPERANCE

New Brunswick Temperance Bodies Unite for Better Work.

LOCAL WORKERS

Are Awakening to Condition of Affairs in New-castle.

At the present time temperance sentiment throughout Canada seems to be on the increase and in Ontario a great victory has been won by the temperance people. Some fifteen Municipalities recently held a vote of the people on the local option question and it nearly all majorities favouring improved temperance legislation was the result.

Newcastle citizens viewing with alarm the open violation of the Scott Act and the great increase in the amount of drunkenness on the streets have awakened to the fact that if the Town officials will not act it is time some means were taken for the enforcement of the Act by others. Committees have been appointed by the temperance organizations and churches and a meeting will be held in the near future at which this matter will be fully discussed and ways and means advanced to endeavor to have the Act enforced. At the present time the state of affairs existing here are a disgrace to any community. Liquor is openly sold over bars and by the bottle or gallon and at certain times such drunkenness is seen on the streets.

In this crusade we are sure every right thinking citizen will support any movement which will curtail this nefarious traffic.

St. John, Jan. 5.—A meeting of leading New Brunswick temperance workers was held on Thursday, resulting in the formation of a temperance federation and the carrying out of an active plan of campaign.

At the meeting of the Grand Division Sons of Temperance, held in Newcastle in May, 1906, the following resolution was adopted:

Resolved, That the Grand Division appoint a standing committee to act with similar committees from other provincial temperance organizations regarding political action, propagation work and other matters of mutual interest.

This resolution was forwarded to other temperance organizations and agreed to by these.

A meeting of the representatives of the several New Brunswick temperance organizations was held in the vestry of Carmarthen street Methodist church Thursday evening, when it was arranged for a federation of all the societies, and individuals in New Brunswick in favor of temperance reform. Mr. J. E. Woodburn, St. John, presided and Mr. J. V. Jackson, of Moncton, was secretary. The organizations represented at the meeting were the Sons of Temperance, Independent Order of Good Templars, Temple of Honor and Temperance, and the Campbellton Temperance Alliance. The objects of the society were set forth as follows:

1. The closer and more hearty co-operation of the different societies interested in temperance work.
2. The work of temperance education.
3. The minor effort to secure necessary temperance legislation.
4. The enforcement of all laws tending towards prohibition.
5. That the officers of society be a president, vice president, secretary, treasurer and an executive consisting of the officers and five members approved of by the federation.
6. The name of the society shall be The New Brunswick Temperance Federation.
7. That the representatives present be the first members of the federation.
8. The executive is hereby authorized to enroll as members of the federation all societies and individuals who subscribe to its platform.
9. The funds of the federation shall be provided by voluntary subscriptions from individuals and societies.
10. The question of the engaging of an organizer was left to the executive.

The following officers were elected by ballot:
President—T. Marshall, St. John, Grand Chief Templar I. O. T. Templars.
1st Vice-President—Rev. C. Fleming, Grand Duke, G. W. Patriarch of Sons of Temperance.
2nd Vice-President—Rev. A. F. Carr, Campbellton Temperance Alliance.
3rd Vice-President—Dr. W. F. Roberts, St. John, Grand Templar of Temple of Honor and Temperance.
Secretary-Treasurer—E. A. Everett, Grand Scribe of Sons of Temperance.
Members of the executive—H. C. Tilley, St. John, Sons of Temperance; J. Vernon Jackson, Moncton; I. O. G. T.; Rev. A. J. Brewer, St. John, Temple of Temperance.

MR. VENIOT DENIES CHARGES.

Says That Neither He or Mr. Turgeon Approached Mr. Emerson.

ON SENATE MATTER.

To THE EDITOR OF THE TELEGRAPH:—SIR.—It appears that a recent visit made by me to Montreal, where I had an interview with the minister of railways of a purely private and business nature, has caused certain unscrupulous newspaper correspondents to write the Montreal Star that Mr. Turgeon, M. P. for Gloucester, and myself strongly urged on that occasion the appointment of Hon. C. J. LaBelle, M. P. for Kent, to the Senate, and as at once opposed the appointment thereof of Hon. C. H. LaBelle because the latter gentleman was a "French Canadian," and not a "French Canadian." So far as I am concerned the Senate vacancy was never mentioned during my talk with the minister, and Mr. Turgeon assured me that in the audience he had with Hon. Mr. Emerson, Mr. LaBelle's name was never mentioned in connection with the Senate vacancy.

Mr. Turgeon further assured me that in his advocacy of the appointment of Mr. C. J. LaBelle, he has never used any argument against Mr. LaBelle that would do anything to question the gentleman's nationality.

I must further state that Mr. Turgeon and myself did not visit Moncton as a delegation to the minister of Railways. Our federal member had to see Mr. Emerson on matters pertaining exclusively to his constituency. Mr. Turgeon's report, was of personal and private nature, having no connection whatever with politics.

I am surprised to see that Mr. LaBelle is so apt to believe all he sees published in the Montreal Star emanating from a Moncton source so well known to him. His political associations with these persons, previous to his recent conversion to Liberal principles, should have been sufficient to convince him that their statements touching Liberals should be taken cum grano salis. Had he stopped a moment to think he would have seen that he was not called upon to position for the second time in three months, his family genealogical tree.

As to the Senate vacancy, it is true that Mr. LaBelle has my sympathy and I will ever little help I may be able to give him, and should it ever become necessary for me to speak against the appointment of Mr. LaBelle, I feel confident that I would not be driven to the necessity of calling into question his nationality. There are requirements requisite to such an appointment that greatly overshadow the question of one's nationality.

Yours truly,
J. J. VENIOT

A. C. M. Lawson, Bathurst, I. O. G. T.; R. Maxwell M. P. P. St. John, Sons of Temperance.
The question of arranging a series of meetings in St. John by E. Thompson Smith, leader of "The Christian Crusade against the Liquor Traffic," was left with the executive. It is expected the meetings will be held in the early spring.

J. C. R. RETURNS FOR NOVEMBER

OTTAWA, Jan. 8.—After several months of operation with a surplus the returns for November on the International show a small deficit. This amounts to about twenty one thousand dollars. November last year the deficit was in the neighborhood of \$180,000, so that even with a deficit last month the record of the road is an improvement over the year before. The advantage in receipts is given as the reason for the deficit last month.
