Interesting Notes From the Shiretown of Glou. Co.

## STORE BURGLARIZED.

Messrs S. Melanson & Son's Store Broken Into on Saturday Night.

The store of Messrs S. Melanson & Son of the Village, was burglarized on Saturday night and seemingly the object was money only, as nothing else is missing. Fortunately there was only a few dollars in silver in the cash box where every cent was taken, but their attempt at the safe was unsuccessful. The burglars entered the back part of the store where they broke open a small window about ten feet from the ground and crawled in, only a small man could possibly have done it. Then they used an axe on two doors leaning to the main store and forced their way to the cash boxes.

Their first attempt to enter the office window failed, owing to the iron bars which protect all such entrances, but they must have taken considerable time to remove the pane of glass from it. The culprits are not yet known although efforts to trace them have been made.

# The Scheffer Bros Co's GREAT SACRIFICING SALE

WILL LAST A FEW DAYS MORE ONLY

We're going to break all previous selling records in the next few days. You'll help us to do it too, if you take the time to read over these very exceptional clearing values. To be brief, we commence to enter stock on Thursday next, the 2nd March, and it is absolutely imperative that all odds and ends, all winter goods, in a word all goods that SHOULD NOT appear on the stock sheets MUST be cleared before that date, no matter what losses it may entail.

That has resulted in our going through stocks, making price reductions that are almost unbelievable; in a sense we're obliged to adopt these heroic measures as it is the absolute rule of this house NOT to carry over goods from one season to another. Owing to the diversity of lines many of which quantities are limited, but few of them find mention here—all the more important why you should pay a visit to our store during the next few days

WE QUOTE THESE FEW VALUES TO CONVINCE YOU OF THE EVENTS OF IMPORTANCE.
