TO-MORROW'S CRICKET.

Toronto and Hamilton will meet to morrow on the grounds of the home club. Both clubs will be represented by strong tenns, and the match should therefore be one of the best of the season. Hamilton has won the first match with the Toronto-Rose dale men, and will try hard to capture the game to-morrow. It should be well attended. The Hamilton players have been practising steadily for the past two weeks, both at bat and in the field. Good, sharp fielding is as important as good batting, but catches must sometimes be missed, therefore it is bad taste for any cricketer to sneer at another who may make a mistake. The man who sneers is apt to make the next nuff. All cricketers play the game for the love of it, and always do their best.
