Taylor-Richardson

A marriage of interest to the North Shore, as the bride frequently visited friends here, was that on Wednesday, June 7th, of Miss Robena King, daughter of Mr. and Mrs. R. D. Richardson, of Chipman, N. B., and Lieutenant Frank Alexander Taylor, son of Mr. and Mrs. W. B. Taylor, of Halifax, N. S., which took place in the Presbyterian church at Chipman, the officiating clergyman being the Rev. E. E. Mowatt. The bride, who was unattended, looked very winsome in a travelling suit of brown taffeta with facings of yellow, and hat to match, and carried yellow and shell pink roses. As she entered the church with her father The Voice that breathed O'er Eden was sung by the choir. The church was prettily decorated for the occasion with orange blossoms and potted plants, also with flags in honor of the groom who is of the 63rd Regiment Halifax Rifles, Miss Marion Dunn of Haccourt, cousin of the bride, presided at the organ and rendered Mendelssohn's wedding march, as the bridal party left the church. H. H. Burton and E. St. Clair Alexander acted as ushers. Mr. and Mrs. Taylor left by the C. P. R. for St. John 9:30 later will spend some days motoring through the Annapolis Valley on their way to Halifax, where they will reside for the present. Evidence of the bride's popularity was shown by the number of handsome gifts which she received. The out of town guests were Mrs. M. B. Taylor, of Halifax, mother of the groom; Miss Ruth Hurt of Halifax, and Miss Jessie Dunn, of Dalhousie, N. B.

CONSUMPTIVE GETS \$3,000

George R. Reed, an employee for a number of years in the workshop of P. W. Ellis Company, Jewellers, Toronto, was lately awarded \$3,000 damages by the jury assizes. He claimed to have contracted consumption through the failure of the company to provide proper ventilation for the removal of dust and fumes created in his work. The case is said to be the first of the kind ever tried in Toronto.

WHEN YOU ADVERTISE YOU WANT

RESULTS

That's What You Expect to Get when you do advertise and that's where we come in

No matter what paper you have tried, results are sure if you try

The Union Advocate

THE HOME PAPER OF NORTHUMBERLAND COUNTY

Results have been produced for hundreds of others who have tried our columns, and we can make good for you. There are two vital points in the advertising game. The first is to select the paper YOU KNOW has the largest circulation, and the second is to look after your advertising changing your advt. at least twice a month in a weekly paper. The Union Advocate circulates to all corners of Northumberland County, which no other paper does, and is read by more people each week than any other paper. Is there any reason then why it should not be a better advertising medium than any other paper? If you have any doubts about the above, the subscription lists are open to interested bona-fide advertisers, why not investigate? Is it not worth your while? The Advocate has nothing to hide, and will be only too pleased to prove to advertisers the truth of the above statements. In these war times, particularly, advertisers want the very best possible results to be obtained from their advertising, and unless they use the paper that reaches the most people, they are not getting full value for the money they are spending each year. The

Average Circulation

of The Advocate each month is steadily increasing. From January 1st, this year, until May 31st, more than 43,000 copies were printed and put in circulation, and this without special editions or extra runs—bona-fide circulation only. Nearly 45,000 circulation in five months! These figures should interest every advertiser and non-advertiser within the radius that The Advocate is covering.

What Results are You Getting?

Are they satisfactory, or do you not think you should be getting more? If you have any doubts, why not investigate, and when convinced, investigate the advertising power of The Union Advocate. This will cost you nothing, and may prove the foundation of a successful business. Country merchants will be wise in taking this matter into consideration. Some have already done so, and have received surprising results.

YOU WILL FIND A TRIAL WORTH WHILE

DONT FORGET THAT WE HAVE THE BEST JOB PRINTING

plant in Northern New Brunswick, and can handle all kinds of Job work from a dodger to the very finest class of color and plain black printing. Every bit of work turned out of our office has that nice fine printed effect—no clumsy work, such as comes from poor presses and old rollers. The work is done by experienced hands and the proper touch and color is given to it. Samples sent to Canadian and American printers' journals of art have been most favorably commented on, which shows that work turned out from this office ranks with the best or it would not receive recognition at all. It goes to show further that only the best grades of stock are used. We are also prepared now to do a very fine class of

EMBOSSING

by which your letter heads, etc., are improved fully 100 per cent. Programs, cards and menus can alike be improved by a little touch of embossing, and the extra cost is not very great. Drop in and let us show you samples of our work. We are the only office in Northern New Brunswick that does this class of embossing.

You Take No Chances

When you order work at this office. You can rest assured that you will receive the best of consideration, whether your order be large or small. We make no discrimination. Prices are the same to everybody, and stock to suit every line of business is carried. Examine your supply and then let us hear from you.
