

The Liberal-Conservative Committee Rooms are in the Store lately occupied by Mr. George R. Strong, in J. D. McLeod's Building, Grafton Street, open every day and evening during the Campaign.

LOCAL AND OTHER ITEMS.

Last Sunday was Septuagesima Sunday.

For want of space several matters of interest are crowded out this week.

We are indebted to D. A. McDonald, Registrar, of San Francisco, for late California papers.

The thermometer registered twenty-six degrees below zero in this city yesterday morning.

The mails, via the Cape route, have arrived in this city for the past few days about 2 o'clock, p. m.

The Carnival held in the Excelsior skating rink in this city, on Thursday night last, was a distinct success.

W. W. Wellman offers extraordinary bargains in watches, clocks and all kinds of jewelry. Read his advertisement in another column.

The liquidators of the Bank of Prince Edward Island have been awarded \$14,000 by Judge Peters, for their services in winding up the affairs of that institution.

The Ottawa Citizen says: L. H. Davies, Grit candidate for Queen's County, Prince Edward Island, is the most consummate master of falsehood and duplicity in the Maritime Provinces.

We recommend our readers to peruse carefully the table of "Corrupt Expenditures" and the letters of Archbishops Tache and Bishop Lafèche, which they will find on our outside page.

Persons in the country, having any doubt as to how they should address correspondence to the Herald will please refer to our advertisement, published on the first page of this paper.

We have received a copy of the Halifax Herald Calendar. It is very neatly and tastefully prepared, and is a very convenient chronicle of dates and important events of the present century.

Our information last week was slightly incorrect. It appears that it is not Henry C. Douse, City Councilor, but Henry C. Douse, Jr., the Councilor's son, who is agent in this city for the Toronto Mail.

J. R. McDonald has removed his business to the store lately occupied by Perkins & Sterns, west side of Queen's Street, while his own office is being renovated. See his advertisement in this day's Herald.

MR. DOCKENDORF, of North River, a few days ago, sold to Mr. T. J. Owen of Manitoba, his two year old "Hernando" colt for \$500. This splendid animal took first prize at the Provincial Exhibition last fall.

ANYONE who will take the trouble to read Sir Charles Tupper's great speech before three thousand people, in Halifax on Friday night last, and published in the Halifax Herald, will have no trouble in determining who was "floored."

THE PROVISIONAL DIRECTORS of the Sale of Subway Company are: Senator Howland, Hon. Thos. R. Jones, St. John, N. B., R. H. Bull and H. H. Hales, New York, and E. Dwyer, of Kingston. It is claimed that the terms of the agreement between Liverpool and Canadian ports several hours.

A CORRESPONDENT from St. Ann's writes that the school in this district is progressing very favorably under the management of Mr. Michael A. Sullivan, and that the many subscribers to the Herald in that section give it the well-deserved reputation of being a paper that proves by its treatment of all the public questions of the day, that it has the interests of its readers at heart.

"GRIP'S" CARNIVAL NUMBER.—This, the publishers say, will be the finest publication ever issued from their establishment. The special features will be cartoons in five colors, with gold borders, the double-page portrait being one of J. W. Bengough's finest and funniest composites. Subscribers to Grip get this Carnival number free; to others the price will be ten cents. It will be dated February 12th. Get it. Address Grip, Toronto.

THE NEW FOSTER OFFICE in this city is now about complete and will be ready for occupancy about the 20th inst. In this connection we may state that, through the exertions of Postmaster Brecken, letter boxes are to be placed in different parts of the city, into which people living in those vicinities can drop their mail-matters, and thus save them the trouble of going to the Post Office. This is a step in the right direction, and we trust it will soon be followed by a regular street delivery.

A FEW days ago the little daughter of Mrs. Fraser, of Indianston, N. B., went to the house for a pail of water. The well was one of those sunken pumphons commonly used for collecting running water, and the approach to it had been rendered slippery by the ice that had accumulated around it. A short time afterwards a neighbor going to the well found the child lying in it, only the lower portion of her body being out of the water. She had apparently slipped on the ice while stooping to fill her pail, and had fallen head foremost into the well, from which position she was unable to extricate herself. When found she was extinct.

THE semi-annual examination of the students of St. Dunstan's College took place on Thursday last. There were present: His Lordship the Bishop of Charlottetown, Very Rev. James McDonald, V. G., Revs. Angus McDonald, James James McDonald, R. P. McPherson, Allan McDonald, Dr. Grant, A. J. McIntyre, and A. E. Burke; D. Montgomery, Esq., Superintendent of Education, Edward Roche, Esq., Legislative Librarian, and several other gentlemen. The various classes were examined by the above named clergymen and gentlemen, and acquitted themselves most creditably. St. Dunstan's was never in a more flourishing condition than at present. There are as many boarders as can find room, besides a number of day scholars.

SELLING OFF

The balance of our immense stock of

WINTER GOODS

At all descriptions at prices that defy hard times.

Don't miss this chance. REUBEN TUPLIN & CO. Kensington, Jan. 19, 1887.

Porto Rico Sugar

THE good old West India Raw Sugar is now hard to get,—for the refined article is cheaper and has almost crowded it out of the market.

We often hear the remark made: "The sugar sold now-a-days is not as sweet as that we used to get years ago."

Whether this is so or not we shall not attempt to say,—but we do know this, that those who taste our Porto Rico Sugar declare it to be "the real article" and "something like the thing." It is sweet—and no mistake but it is dear—7 cents per lb. Can we sell it any cheaper than this? Not if we are to make any profit out of it. But we have promised to give some bargains this winter and we will begin with this Sugar and for a little while offer it at 6 CENTS PER LB. Now this is a genuine bargain and we expect those who want some of it to procure it without delay. It won't last long at this price.

GEORGE CARTER & CO. Market Square, Charlottetown, P. E. I. Jan. 19, 1887.
