

## The Poet's Corner.

## Go to Sleep.

How does the lily go to sleep  
In its silver cradle, smooth and deep:  
Clouds of purple, crimson, gold,  
Melt in azure, fold on fold:  
Stars look down, so mild and clear:  
Sweet winds whisper: "Bye, dear!"  
So the lily goes to sleep  
In its silver cradle, smooth and deep.

How does the robin go to sleep  
In its leafy cradle, soft and deep?  
Fainter shines the daisied hill:  
One by one the songers grow still:  
On the tree-top, safe and high,  
Leaves are hushing: "Rock-a-bye!"  
So the robin goes to sleep  
In its leafy cradle, soft and deep.

How does the baby go to sleep  
In its downy cradle, warm and deep?  
Pearly eyelids gently close,  
As the leaflets of the rose:  
Mother fondly watches nigh,  
Softly singing: "Lullaby!"  
So the baby goes to sleep  
In its downy cradle, warm and deep.

Who is it watches while they sleep  
In their nightly cradles, calm and deep?  
O the Father's loving care  
For His children everywhere!  
Baby, lily, robin, rest  
Safely on His boundless breast!  
So He watches while they sleep  
In their nightly cradles, calm and deep!

## Kind Words to Girls.

Be Mindful of Insulting Men—Put on no Extra Kinks.

A word of advice to the young girls: Never contract acquaintance with strange young men unless they come in company with those in whom you place confidence. Even then be on your guard and see that the proprieties of life are not exceeded. There is not a day but we read in our exchanges of some poor girl who, from her confiding nature, has been basely betrayed by some heartless scoundrel, and thus placed on the high road to dishonor and ruin. The libertine is always cautious in his movements and sly in his approaches to the human heart, and unless his intended victim fortifies herself by the principles of virtue and refuses to place herself in his keeping, except with honor, she is lost.

Girls, guard yourselves against the vices and follies of the world, and let purity of soul, integrity, virtue and honor be your guiding star, and then, when age comes upon you, you can read the book of your life with pleasure, finding nothing written therein of which you would be ashamed when it shall be opened in the light of divine truth and read by other beings than those which inhabit this earth.

Girls, talk to the young men you meet as unaffectedly as you do to the boy friends of your brothers; or, if you have no brothers, and therefore no brothers' friends, as you do to the neighbor lad, who, mayhap, "does chores" for your father. Do not imagine when you meet a gentleman that your conversation must be remarkable or unusual to be entertaining. The bearing of an intelligent, gracious gentleman is one always to be cultivated, but this should be your every-day behavior. You should have no company manner.

Cataract is Not a Blood Disease.

No matter what parts it may finally affect, cataract always starts in the head, and belongs to the head. There is no mystery about the origin of this direful disease. It begins in a neglected cold. One of the kind that is "sure to be better in a few days." Thousands of victims know how it is by sad experience. Ely's Cream Balm cures colds in the head and cataract in all its stages. Not a sniff nor a liquid.

"Speaking" about the artist who painted so naturally that the birds came and pecked at it," said a fair reporter, "I drew a hen that was so true to life that after the editor threw it into the waste basket it lay there."

Valuable to know.

Consumption may be more easily prevented than cured. The irritating and harassing cough will be greatly relieved by the use of Hagyard's Pectoral Balm that cures coughs, colds, bronchitis and all pulmonary troubles.

In Brief, and to the Point.

Dyspepsia is dreadful. Disordered liver is misery. Indigestion is a foe to good nature.

The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order.

Greasy food, tough food, sloppy food, bad cookery, mental worry, late hours, irregular habits, and many other things which ought not to be, have made the American people a nation of dyspeptics.

But Green's August Flower has done a wonderful work in reforming this sad business and making the American people so healthy that they can enjoy their meals and be happy.

Remember—No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.

## For Front Bites.

There is no better remedy for front bites, chills and similar troubles, than Hagyard's Yellow Oil. It also cures rheumatism, lumbago, sore throat, deafness, and lameness and pain generally. Yellow Oil is used internally and externally.

## Lessons in Natural Philosophy.

"Yes, Tommy," said the teacher of the infant class, "that is right; vegetables come from the ground; and now can Willie Waffles tell us where meat comes from?" "Yessum," responded Willie, with the air of one familiar with the subject, "meat comes from the butcher's."

National Pills are unsurpassed as a safe, mild, yet thorough, purgative, acting upon the biliary organs promptly and effectually.

## Mark Twain's Meanest Man Outdone.

The Brockville Recorder publishes the following: "The writer was on the road on Farmerville and had to wait some time at the Elbe toll-gate, which was blocked up by a waggon with a hay rack. As we finally drove up and handed over our four cents the old lady in charge of the gate said: 'If you wait long enough I'll tell you why that man was so long here. You see this morning he went past with a load of hay so large it would not go through the gate. To help him out of the trouble my husband and myself got rails from the fence and fixed up the side of the road, so that he could drive around the gate, and he got by without unloading. When he came back just now he refused to pay only one way, as he said he had only gone through the gate once. What do you think of that? said the old lady as we drove on.'

## Prevailing Sickness.

The most prevailing complaints at this season are rheumatism, neuralgia, sore throat, inflammations and congestions. For all these and other painful troubles Hagyard's Yellow Oil is the best internal and external remedy.

## A Misleading Name.

One of the managers of a home for destitute colored children went to the institution the other day to see how things were going on, and found a youngster, as black as the inside of a coal mine, tied to a bed post, with his hands behind him.

"What's that boy tied up so for?" she asked the attendant.

"For lying ma'am; he is the worst lying nigger I ever saw."

"What's his name?"

"George Washington, ma'am," was the paralyzing reply.

## Don't Speculate.

Run no risk in buying medicine, but try the great Kidney and Liver regulator, made by Dr. Chase, author of Chase's Balm. Try Chase's Liver Cure for all diseases of the Liver, Kidneys, Stomach and Bowels. Sold by all druggists.

The distressing paleness so often observed in young girls and women, is due in a great measure to a lack of the red corpuscles in the blood. To remedy this requires a medicine which produces these necessary little blood constituents, and the best yet discovered is Johnson's Tonic Bitters. Price 50 cents, and \$1 per bottle at Goode's drug store, Albion block, Goderich. Sole agent.

Merchants can get their Bill Heads, Letter Heads, &c., printed at this office for very little more than they generally pay for the paper, and it helps to advertise their business. Call and see samples and get prices.

## Not a Book Agent.

Mr. Goode, druggist, is not a book agent, but has the agency in Goderich for Johnson's Tonic Bitters, which he can heartily recommend for any complaint to which a tonic medicine is applicable. This valuable medicine has been with most astonishingly good results in cases of general debility, weakness, irregularities peculiar to females, extreme paleness, impoverishment of the blood, stomach and liver troubles, loss of appetite, and for that general worn out feeling that nearly every one is troubled with at some part of the year. Don't forget the name Johnson's Tonic Bitters 50c, and \$1 per bottle at Goode's drug store, Albion block, Goderich, sole agent.

## He Never Smiled Again!

No "hardly ever" about it. He had an attack of what people call "biliousness," and to smile was impossible. Yet a man may "smile and smile, and be a villain still, still he was no villain, but a plain, blunt, honest man, that needed a remedy such as Dr. Pierce's "Pleasant Purgative Pellets," which never fail to cure biliousness and diseased or torpid liver, dyspepsia and chronic constipation. Of druggists.

## A Significant Fact.

The worn out, waste and poisonous matter in the system should escape through the secretions of the bowels, kidneys and skin, or serious disease results. B. B. B. opens these natural outlets to remove disease.

## For the Little Ones.

This morning I read this beautiful extract, and I want to impress it on your minds:

"It is not what we read, but what we remember that does us good; not what we earn, but what we save; not what we eat but what we digest; not what we intend, but what we do, that makes us useful; it is not a few faint wishes, but a life long struggle that makes us valiant." This struck me as all so sensible that I felt it would do great good for all the children to study and remember it.
