went away.
"The silly fellow!" she said to herone and forty years. She was a pleasent object to look upon as she stood in will keep on liking me in spite of oh, the inviting dairy. So thought a stal-wart farmer who presently appeared in don't like to be liked. I'm not lonethe doorway, and rather awkwardly addressed her.

"Good mornin', Hetty."

Hester looked up, and pausing a momont in her work, answered:

"Morning, Nathan. Why didn't you sat down and had a good cry all to her-

never can teach that stupid Lindy any thing."

The next garment was of Canadian wholesale trade, and how were tumbled together, the rope wilder, it would be too loose for warmth.

Apply these rules in the ordinary way of with a hem. The next garment was of Canadian wholesale trade, and how were tumbled together, the rope thild," said her visitor good naturedly, the bugy struck the rock and went over, and calf, horse, buggy and woman would not leave Jacob. Now he has were tumbled together, the rope thild," said her visitor good naturedly, the bugy of wash sink, instead of Canadian wholesale trade, and how many would stand? And yet they are thild, "said her visitor good naturedly," as many make left her and divided the old farm, but still fast to Hetty's wrist, and the rock and went over, and calf, horse, buggy and woman would stand? And yet they are sensible rules, some of them essential rules, in these days of extravagance and the rock and went over, and the rock and the ro

"Go long and sit down on the side stand it longer!" she would say grimly porch, then. I'll be there as soon as I when she felt any signs of relenting.

Hetty," and with a whimsical twinkle in his blue eyes, Nathan Strong took himother to undertake the directing herself. self off to the house.

Hester, with a faint little pucker of impatience on her brew, took her own at home. But with the heavier work time to finish the print and set the whole she did not know what was best to do. crockful into the stone trough, where the If Eben Sharp had not been perfectly

fool's idea in his head again," she solilo-quized as she drew down her sleeves.
"If he has, he'll go home with another, settle it. She did not know whether saw that Bob's harness was all right. sat's all I've got to say!" she was most grateful to him or Stopping at the kitchen door to bid angry at him.

butter things, she went around to porch where Nathan waited for her.
"Will you go into the house?" she wind and rain came up.
The wind blew so hard that when the a neighboring farm, a sudden storm of are you?"

"No, but I'm mad!"

'No, thank ye, ef you don't mind, gust was over and Hester went out to we'll jest stay out here. The cmell o' see if any damage had been done, she them vines is sorter sweet like, an' I found a part of a fear belown down, and kinder famcy sittin' under 'em." some choice young cattle at liberty to

"This wont do," says Hetty. "And I'll hunt it up for you.

"Wal, yes, I be. Aunt Betty is sorter complaining with rheumatiz, as usual. She's gitting most too old to keep house, I she's gitting most too old to keep house, I she's gitting most too old to keep house, I she's gitting most too old to keep house, I she's gitting most too old to keep house, I she's gitting most too old to keep house, I she's gitting most too old to keep house, I she's gitting most too old to keep house, I she's gitting up all over. What's to be done, I won hand when I'm in trouble."

Nathan turned like a flash, his homely, kindly face lighting up all over. "Lord-a-massy, child; that's just what her, but she went bravely at her task, I wan to be. Don't you see you can't get along without me? Don't try any hands and they would not stay as she out them. She was so worried that she out them. She was so worried that she on hand when I'm in trouble."

Nathan turned like a flash, his homely, kindly face lighting up all over. "Lord-a-massy, child; that's just what I want to be. Don't you see you can't get along without me? Don't try any hands and they would not stay as she out them. She was so worried that she out them. She was so worried that she on hand when I'm in trouble."

Nathan turned like a flash, his homely, kindly face lighting up all over. "Lord-a-massy, child; that's just what I want to be. Don't you see you can't get along without me? Don't try any hands and they would not stay as she out them. She was so worried that she on hand when I'm in trouble."

Nathan turned like a flash, his homely, kindly face lighting up all over. "Lord-a-massy, child; that's just what I want to be. Don't you see you can't get along without me? Don't try any hands and they would not stay as she and help you, always, dear." ed the farm joising Hester's, saw the frown, and understood it. He quietly did not see anyone coming until a fami
"I might as well, I do believe," said triumph of my own invention. It was liar voice said right at her elbow :

"Hetty, strikes me that ain't jest the business, th's mornin'. Was ye thinkin' work for you. Suppose you let me try o' runnin' the hull farm on your own it a spell." "Goodness gracious, Nathan! I do her hand. "Why, I hardly know, Nathan. Yes, wish you would," answered Hetty, clear out of breath. The next minute Nathan

'How would you like to rent out a was handling the rails as if they were field or two, ef it would pay ye pretty mere twigs, while Hetty stood helplessly boggy." to repay "I don't know. I hadn't thought of "There! Now the critters wont get But E

out !" said Nathan when the fence was home.

like to rent that there little patch on the south o' my land, to put in wheat this Nathan," returned Hetty, quite humbly, fall. Would give ye grain or money, jest as suits ye best."

"Well, I don't know." replied Hetty.
"I reckon I might as well let you have it as not. I'd better take grain. We were kind o' useful once in a with many land, to put in wheat this satisfactory, as not. I'd better take grain.

won't be apt to raise as much as com-while." With one of his quizzical locks at her, he mounted his horse, and rode "I'm much obleged to ye," said Nathan. "We'll fix it up all satisfactory," he hesitated an instant, then added, "Don't ye find it pretty tough tryin' to cattle or Nathan.

farm it alone, now Jacob is gone, Hetty?"

After the storm things went smoothly for some time. Hetty saw Nathan locking at her in church every Sunday, but Hetty, tartly. "Jacob Brand was a big he kept his word and did not come to fool to do as he did at his time of life, "bother her."

Such queer things women are! She scolded him when he did come, and now "A fool for gettin' married, Hetty, or he didn't, she missed him and wished he

stock in the neighborhood; she was proud of them and mean to realize a handsome sum from them in the future. Hearing of a nice calf for sale on the Mills' place, about two miles off, she got into her buggy one day and drove more so that they always closely im. The servants told him all, and entreated sold his half of the farm and went pokin' Mills' place, about two miles off, she sold his half of the farm and went pokin' off there," pursued Nathan, calmly.

"I don't care for the farm, my half is more than enough to support me," said Hetty.

"Wal. I can't agree with you on the marryin' part, Hetty, girl. I'm nigh as old as Jacob—I'll be forty-five come old as Jacob—I'll be forty-five come of the farm and went pokin' off there," pursued Nathan, calmly, got into her buggy one day and drove more so that they always closely into the back them. "How very odd," said the Cardinal, "here my servants told him all and entreated him to back them. "How very odd," said the Cardinal, "here my servants be directed him to return by the Mills by Nasal Balm as a positive cure for farm so that if she bought the calf he could drive it home. The animal proved to be what she had heard, and she could drive it home. The animal proved to be what she had heard, and she coived by nostrums imitating Nasal Balm overwork, so that the first morsels you Christmas-but I'd marry too, quick, soon struck a bargain for it. Then she received by nostrums imitating Nasal Balm overwork, so that the first morsels you if you would have me."

Nathan rose too, and interrupted her.

"Hear me out this time, Hetty, an' I better. You fetch the calf out, tie the won't bother you again. Wal, not soon, anyhow. Come, Hetty, this is a lone.

served Mr Mills, dublously.

"You don't? Well, I do. That's they are suspended.

they are suspended.

Chronic Coughs and olds other end," and Hetty put her arm out And all diseases of the throat and lungs of the large of Spotts Freed.

Very well, when I want more help with it, even if your beast don't get cellent in throat affections.

"Old Boh wouldn't scare at a traction ongine," said Hetty, "and I'm not likely to be whipped out by a calf like that. to be whipped out

Give me the rope, now."
"Wal, there tis. Ef a woman wills she will, I spose. But ef you get your neck broke with the blamed little beast, mean to show folks that a woman can don't say I didn't warn ye aforehand.' "I won't, Mr Mills. Good day." Het-

hope it is! I can't stand it much long-er!' She turned round to look back. A belt of silesia, stitched on the outside

tones of consternation :

'Lord sakes, Hetty, what's up now?" "Why, I am," gasped Hetty, steadying herself by his arm a moment.

"But what does it mean, child?" "It means-I am a fool, that's what. fresh and cool in the hottest weather.

Even Eben could not do everything, See to Bob, please," and down sat Hetty and it seemed to Hetty that as sure as on the rock which had shipwrecked her, See to Bob, please," and down sat Hetty Then he returned to her, judging her excitement to have had its way, and said, "Come, Hetty, get up. The horse and buggy are all right. You are not hurt,

"What at, child ?"

than, where's that calf?' Nathan tried to look sober as he said, rests her so that she drops to sleep at some choice young cattle at liberty to 'Kicking up its heels somewhere down the road, I expect. It isn't in good rubbing with the hand. The feet and sight. Lat me drive young with the hand. The feet and sight.

Hetty, turned fiery red.

"So you might, child, bless your heart. You shall never be sorry for it," and some-how Nathan had got hold of always should be—with corners that come around the waist, put under the

"But, Nathan, my farm." "Oh, never mind the farm, I'll run em other one and tucked smoothly between the limbs, to absorb moisture and preparation of the limbs, to absorb moisture and preparation or repay him for his long waiting. both.

o repay him for his long waiting.

But Hetty would not let him drive her below the button-hole, and then the So he went back to find her runaway calf, while she drove on alone. Bob took her home in his own She was too busy thinking was made perfectly comfortable." That is, Bob took her home in his own fashion. that she didn't care if she had given up, because Nathan was such a good, true, faithful fellow, to pay any attention to Bob. - Indiana Farmer.

Kelly's Cross, P. E. I.

Kidney Complaint and bad stomach troubled me for years, but I was cored by taking less than one bottle of Burdock Blood bitters. For my present good health I owe my thanks to B.B.B., writes James Gorman, Sen.

The "leafy month of June," from time out of date, has been a favorite season for marriages the world over. It an air of surprise and coolly said twhy is not only prolitic of roses with which to deck chancel and bride, but is rich in had my support? replied the Coto deck chancel and bride, but is rich in characteristics of conditions that brings all sorts of good luck to the hanvy pairs who are in well.

"T) be sure, my lord! You did not get Hester had the finest herd of young luck to the happy pairs who are in wed-tock in the neighborhood; she was

Dangerous Counterfeits. waited a reasonable time for Eben. No Hester jumped up, her eyes flashing. "There, Nathan Strong! I knew you couldn't go home without makin' a fool of yourself."

"Softly, Hetty, girl, softly! I tain't a sign o' a fool to like a woman from the time she's a mite o' a school gal, an' never to look at any other woman for her sake, isit?"

"Wal, now, Miss Hester, I don't see

wer to look at any other woman for her lil lead it home myself."

ke, is it?"

"No, but, Nathan, I've told you often doften—
Nathan rose too, and interrupted her.

"You don't? Well, I do. That's they are suspended.

"You don't? Well, I do. That's they are suspended.

"You don't? Well, I do. That's they are suspended. of spirits.

other end," and Hetty put her arm out at the back of the buggy.

"Now, Miss Hester, you hain't agoin' to try to lead the critter that ar' way," remonstrated the farmer.

"That's what I am, Mr Mills.

"Wal, ye better not, then. A caif is a pesky frisky critter to drive, sometimes. I low ye'll see a sight of trouble with it, even if your beast don't get skeered."

And all diseases of the throat and lungs can be cured by the use of Scott's Emulsion of Cholera Infantum so that I was not expected to live, and, at the time, would even have been glad had death called me, so great was my suffering, a friend recommended Dr Fowler's Extract of Wild Strawberry, which acted like magic on my system. But for this medicine I would not be alive now. John W Bradslered." commended Dr Fowler's Extract of Wild Price

A COMFORTABLE BABY. A correspondent of the Housekeeper

writes as follows :- "I am a young mother and have but one baby; but I do not believe there is a more comfortably dressed child in the world than mine has been during the three years of her I made her wardrobe a study, and found it a very fascinating one. She wore bands just three weeks; than they were stamped with a rose on top.

There was no sham about Hester's prints. A good 16 ounces to the pound, agin' smoking, so I wouldn't learn, but ter either. She was just what she pretended to be, and greatly respected by tended to be, and greatly respected by roll under the baby's arms, and I was not around me, and resolved not to compel Every moment the little beast grew place of the shirt. It was a sleeveless riskier, and poor Hester's arm was almost pulled off.

most pulled off. "Good gracious! Will I ever get home alive?" she cried in despair. "Who would have thought of such a time. If—I ever—do—get out—of this —" her breath corning in pants, "I'll never—try it—again!" never—try it—again!"
Suddenly she heard a horse coming up the hili behind her.
"It may be Eben," she said. "Oh, I the hips. now, and are made to fit easily. stockings are fastened to it. I always make the waists of the softest flannel I self.

"I did, first thing, Hetty. Lindy said I'd find you out here."

"Well, you have found me, but I don't receive callers in my dairy. I self.

Truth told, Hester felt her brother's and see if the rider was Eben and tid defection dreadfully. She had been not see a large rock before her. Just then the calf gave a spring, jerking the don't receive callers in my dairy. I gether on the old homestead. Her real rock that they would homestead. Her real rock that they was a spring, jerking the gether on the old homestead. Her real rock that they was a spring, jerking the gether on the old state and see if the rider was Eben and tid at the waist line, holds the buttons firm not see a large rock before her. Just then the calf gave a spring, jerking the concept and around the arms, I finish with gether on the old state and see if the rider was Eben and tid at the waist line, holds the buttons firm the waist line, holds the waist line, holds the buttons firm the waist line, holds the waist line, holds the waist line, holds the buttons firm the waist line, holds th "I jest want to speak to ye on a little she has resolved not to follow in his feet- the beast tugging at it with might and I bought expensive flannel for these skirts, and made them as prettily as pos Hetty screamed in spite of herself, sible. One, I made of soft gray flamuel "Go long and sit down on the side stand it longer!" she would say grimly reh, then. I'll be there as soon as I is this last print."

"Sartin! Sartin! Any way to suit ye, etty," and with a whimsical twinkle in some stand it longer!" she would say grimly there was an answering shout. A horse galloped madly up. A man sprang to the ground, snatched his knife from his one thing to live ou a farm where skilled pocket and cut the rope. As the freed three leaves worked also in red silk.

The skirts was considered.

The skirts was considered and in spite of herself. Siole. Une, I made of soft gray flanuel, piping the seams with red and finishing galloped madly up. A man sprang to the ground, snatched his knife from his one thing to live ou a farm where skilled pocket and cut the rope. As the freed labor directed everything, and out a new factor of the gray flanuel, piping the seams with red and finishing piping the seams calf darted off he caught the lines, controlled Bob with a quick hand and litted Hetty from the upset buggy, saying in room. They were high in the neck and long sleeved, and in the summer they were used as dresses. Baby suffered with the heat with her dress and skirts, too, and I knew she would be cooler and

more comfortable with one garment of flanuel than one of cotton. The nightdresses were all made like wrappers and were buttoned all the way down in front. Until she was three months old, never wore any other dress than these. That saved a change of dress at night, and troubling baby to put her arms in sleeves when she was tired with a long day's handling. The clothes were loose and I could easily rub her chest with soft cloth wrung from warm water, with "What at, child?"
"Because I'm a fool, I tell you. Nauut dampening them. She is three years old, but I have never emitted giving her this little bath, at night. It
