New Encyclopaedia.
THE 10th NELSON ENCYCLOPAEDIA is based on the Harmsworth's Encyclopaedia and the Nelson's "Loose-Leaf". The amount of reading matter has been slightly increased. The best has been retained from both the older books, hundreds of new articles have been written and everything has been revised and brought up to date. It will be issued in twenty-five fortnightly shilling volumes in the handy size and neat cloth bindings familiar to all purchasers of the Nelson Popular Libraries. The paper is of excellent quality. Illustrations and diagrams elucidate the text where necessary and numerous full-page pictures add to the interest and value of the work. The Encyclopaedia itself will occupy twenty-three volumes and an English Dictionary and an Atlas as vols. 24 and 25, making the whole set a complete Reference Library for the home.
Vols. 1, 2 and 3 now in stock. Price 25c. per vol.

"Standard" Bread
made from Standard Flour is a meal in itself!
White Bread is not.

ELLIS & Co.
Limited,
203 Water-st.,
Just received the first consignment of the
Celebrated STANDARD FLOUR,

What is STANDARD BREAD?
STANDARD BREAD is the old farm-house loaf, made by milling good, sound, sweet, dry wheat, and taking out of the Flour the coarser bran.
STANDARD BREAD is not a patent food, or a patent bread. It is just good sound BREAD, and it is called "STANDARD" by everyone, because it agrees with a standard fixed by eight eminent medical men in a Manifesto, published first by the "Daily Mail" on January 30th, 1911, and since widely re-published by the newspapers of the world.

Since the doctors first published their Manifesto, STANDARD BREAD has been welcomed everywhere. For years it has been supplied to the King and Queen at Windsor Castle, and at Buckingham Palace. It is eaten by rich and poor, by young and old, by healthy people and sick people.
STANDARD BREAD has been used for years at many of the great hospitals for Consumption.
STANDARD BREAD made from STANDARD FLOUR has been completely shunned up by a Harley Street Surgeon in this statement:—
"The short stature, the pale face, the weak chest, and the general degeneracy of the present generation, are greatly due to WHITE bread diet."
STANDARD BREAD made from STANDARD FLOUR is all right.
Doctors and learned scientists have declared with no uncertain voice for the plain unaltered product of the WHEAT BERRY.
The trouble started when a man commenced to "Paint the Lily" to improve on nature.
STANDARD FLOUR contains 80 per cent. of the WHOLE WHEAT, including the germ and semolina.

Alpaca for Dresses Wears Well.
ALPACA is an ideal summer fabric—because the rich, smooth, lustrous surface, gives the wearer a refined, aristocratic appearance, and the nature of the surface does not allow the dust of the street to adhere, therefore garments made of it, always look bright, clean and new.
The Peruvian animal which produces the wool for this fabric, is noted for its lustrous silky wool, and the long fiber of the wool ensures satisfactory wearing qualities. The alpaca cloth will retain its silky appearance, because it is natural to the wool, and not artificially produced, as you will find it so with some fabrics.
Children's Coats, Dresses, Women's Costumes, Skirts and Blouses made of Alpaca look handsome, and for street wear, one of the most serviceable fabrics you can buy.
We can give you this reliable and good wearing, stylish, Alpaca Cloth in the following prices and colorings:—
BROWN, all prices from..... 50c. to \$1.00 a yard
CREAM, all prices from..... 50c. to 90c. a yard
NAVY BLUE, all prices from..... 40c. to \$1.10 a yard
DARK GREEN, prices..... 45, 65, 90c. a yard
