THE BEST FACE CREAM I EVER USED!
is what our lady customers tell us about

O'MARA'S Face Cream.

Knowing what it is made of, we were certain it would be hard to improve on. We hardly expected that a big thirty-five cent package like "Ours" would win favor over other high priced lines, but it has. Believing it the best article and best value we have, we like to recommend it to you. Let us show it to you—and tell you about it. Price 35c. a jar.

Good Men are Getting Scarce
around here now. We are out to protect those who are left.

Some of you have been running round lately in your Shirts

which you used to wear in the good old summer time, as you thought we were having a mild winter.

WE WERE—BUT NOT NOW!
This is just a few words to say that we have lots of

Warm Cold Weather Shirts for Men,

in Striped Flannels, Winceys, etc., at reasonable prices. And now, as you will find, you will really want some good warm Underwear, we say

STANFIELD'S Shirts & Drawers,
made of soft, warm, unshrinkable wool.

Are the Finest Kind of Underwear for Cold Weather.

They will keep you as warm as toast, despite the most chilling breezes, and they will withstand the hardest handling of the most inexorable washerwoman, and still remain as soft as wool should be.

TORIC LENSES

ARE MORE BECOMING THAN FLAT LENSES.

The edges of Toric Lenses do not show as prominently as those of flat lenses. They fit in close to your eyes. You will find Torics much more becoming and useful. They give you a wider, clearer field vision. You should know about Toric Lenses. Let us explain them.
