THE WILL.

There comes a time in the life of every man when he must leave his worldly possessions to the care of another. In anticipation of this, therefore, the first obligation resting on an individual who is possessed of property is the making of a will and this should be done before the capacities become impaired by time or the ravages of disease.

Sturdy Simplicity

Dunham Traps are made with extreme care and accuracy. The result is sturdy simplicity. Nothing could be more simple than the two-piece Dunham Trap; and judging from service records of those in use since 1903, Dunham sturdiness is exceptional.

The Dunham Radiator Trap maintains a radiator at its maximum heating efficiency by permitting the passage of all air and water from the radiator and holding all steam within the radiator until it gives up its heat.

DUNHAM SPECIALTIES—Packless Radiator Valves, Radiator Traps, Drip Traps, Blast Traps, Air Line Valves, Vacuum Pump Governors, Reducing Pressure Valves, Oil Separators, Suction Strainers, Air Vents, Return Traps, Check Dampers, Damper Regulators.

CONTROL!

"RAYBESTOS" Brake Lining

Will always grip and hold the car in any emergency because it is made of long fibre asbestos woven with brass wire and treated in a way that gives it the greatest gripping power.

"RAYBESTOS"
gives longer wear than any other lining, and it wears evenly down to the last sixteenth of an inch. Most of the best known car manufacturers use RAYBESTOS.

Look for the silver edge: your protection against imitations.

Send your car to us to be overhauled and have the brakes relined with RAYBESTOS and protect yourself against accidents.
