Codfishery on the Banks, by vessels did. French and Portuguese craft, is parations to equip and send across the Atlantic a much larger fleet than operated in prewar days, and will augment their sailing flotilla with more than a score of steam trawlers. These latter are fine roomy craft, with ample crew space and a hold capacity to meet the requirements of the voyage, and whose marks to equip and send across the Atlantic a much larger fleet than operated in prewar days, and will augment their sailing flotilla with more than a score of steam trawlers. These latter are fine roomy craft, with ample crew space and a hold capacity to meet the requirements of the voyage, and whose marks to equip and send across the Atlantic a much larger fleet than operated in prewar days, and will augment their sailing flotilla with more than a score of steam trawlers. These latter are fine roomy craft, with ample crew space and a hold capacity to meet the requirements of the voyage, and whose marks to equip and send the floor of the best can it from the sticks, and it will be a problem to find a satisfactory substitute for the best goalkeeper who has played in the League in recent years.

The services of Rev. Edger from the sticks, and it will be a problem to find a satisfactory substitute for the best goalkeeper who has played in the League in recent years.

THE IRISH AND THE CUP.

If the BLS win the Championship this work must be done. The contracts will be a reposition with the Anglo Nfd. Dev. Co., he being Super-intendent of the mill. Mr. Judge has to prefer health. Mr. Judge has to prevent this from happening. In the sticks, and it will be a problem to find a satisfactory substitute for the sticks, and it will be a problem to find a satisfactory substitute for the sticks, and it will be a problem to find a satisfactory substitute for the being satisfactory substitute for the sticks, and it will be a problem to find a satisfactory substitute for the being satisfactory substitute for the being satisfactory substitute for the sticks, and it will be a problem to find a satisfactory substitute for the be when unable to get bunker coal at St. Pierre, make the two harbors of Sydney and North Sydney points at which to obtain supplies. The sailing fleet, fitted out at St. Pierre-Miquelon has fallen away to zero, and last year not a solitary banker was outfitted from that port. There is employed, however, a numerous mosquito fleet, propelled by motors, and these small craft are much in use by the Pierrois, and trawls, in the case of the given a surprise shower last night by larger type a boy and a dog augmenting the crew. Not alone do the French bankers operate on the Grand Banks, but a decent sized squadron engage in the members of the mission. After a menting the crew. Not alone do short concert performance had been concluded, a bag full of gifts was presented to Miss Martin and addresses were made by Mrs. E. Lindsay, and Mrs. Peters. Miss M. Howell, Presi-Iceland fishery, though last year dent of the Star Mission Circle, prethe returns were not by any means satisfactory, bad weather militating against the prosecution of the voyage.

The appended article which we reprint from the current issue of The Canadian Fisherman is more than interesting in view of the keeping up of French and Portuguese competition, and will we think supply certain in- foundland Football League takes place formation not hitherto known, tonight in the office of President W.J. tion is

"European Fleets to Banks Grow Again"; and the complete text as follows:

Bank fleet is reported to have done White, F. H. Seymour, L. R. Riggs, very well. The fleet was small D. Boyce, F. Cooper, and C. White. enough compared with pre-war days, but was considerably larger than the but was considerably larger than the previous years. Since the war the number of vessels crossing from france to fish on the Grand or Lesser banks off the coast of Newfoundland have been:

of the steam trawlers operathe southern part of the Grand Others tried Middle Ground, an, and St. Pierre banks with ang success.

Fifty Portuguese Bankers.

In 1921, Portuguese Bankers.

In 1921, Portuguese sailing vests to the number of fifty engaged the Grand Bank figheries, as comared with thirty in 1920. They arrived on the banks somewhat later than the French vessels, and also returned home later. They worked only on the Grand Banks, mostly north of the Virgin Rocks. Their probable she upset in a squall.

The captain and crew of the schooner was propagal and pleaded guappeared for the schooner was the Dallas B. panded that the ship apprised enquirles and pleaded guappeared for the schooner was the Dallas B., owned the schooner was the Dallas B., owned the schooner was in the mouth of the bay on her beam ends with her canvas set. Several small boats from Pouch Cove went off to the wreck, and on returning some reported that the hatches were down, while others said they were off, and an anchor was dragging from the hawsepipe. All agreed that there was no sign of a crew. As the water was sooth it is presumed they made land in their boat. About a couple of hours after the craft was sighted the tuge John Green and Hugh D. left for the wreck. At noon it was reported that the John Green was alongside and preparing to take the schooner in tow.

The Dallas B. was on her way here from Hillview. Trinity Bay, and it is probable she upset in a squall.

LATER.

The captain and crew of the schooner was the Dallas B. landed at Bauline and are the schooner was the Dallas B. was on her way here from Hillview. Trinity Bay, and it is probable she upset in a squall.

2nd Treasurer—Jas. Sullivan, Jas.
Hynas

Fin. Secretary—Michael Connors.
Rec. Secretary—James Caul.
Grand Marshal—James Kayanagh.
The election will take place at next
Thursday night's meeting.

'A meeting to elect officers of the B.I.S. Football team will be held in the Club Rooms on Saturday, the 13th, at 9.30 p.m. -may12,2i

Horse and Cattle Sales. DEMAND FOR FORMER NOT BRISK.

There was very little demand for horsefiesh at, the auction sale held at Neal's wharf to-day. Several horses had to be put back into the stores as the auctioneer could not get a bid. Several very useful sized animals sold for between 60 and 70 dollars. There was a large attendance. At the auction sale of cattle yesterday there was much competition and butchers cattle sold at an average of about 30 cents per lb.

### Performance To-Night.

AT HOLY CROSS SCHOOLS.

The performance of "The Tanglet Skein" takes place at Holy Cross Schools this evening, and a full house is assured. Judging from the person nel of the troupe there can be no doubt but the affair will be a success Spicy specialties are between the actuand the Empire Band constitutes avery fine orchestra.

A NECESSARY IMPROVEMENT.

TWELVE MONTHS FOR THIEF. Sentence of twelve months' with hard labor, was passed on an old offender in the Police Court to-day who was charged with the larceny of goods from Tessier's store during the week. A man who had acted as his accomplice while under the influence of liquor had no police record against him. He was fined \$50 or three months. The men were recognized by the night watchman at Tessier's premises.
