

"I Can Now Do My Work Without Feeling Tired"

Mrs. A. Moffatt, Roxton Falls, Que., writes:

"I suffered from a run-down system and nervous debility. I could not sleep or rest at night, and felt so weak I could not walk any distance. I took several tonics, but they only helped me while I was taking them. Mother advised me to take Dr. Chase's Nerve Food, and I felt great benefit from the first box, and continued taking several boxes. Today I feel like a new woman, and am able to do my work without that dreadful tired feeling."

Conservatives Make Gains in Municipal Election.

Lord Balfour Urges Unity and Co-operation -- Canadian Government Steamer Adrift in North Atlantic -- No Marconi Station at Clifden.

CONSERVATIVE GAINS.

LONDON, Nov. 1. — Complete results of the municipal elections in the provinces to-day show that Labor lost one hundred and sixty seats and gained five. Conservatives gained one hundred and ten.

LORD BALFOUR PLEADS FOR CO-OPERATION.

LONDON, Nov. 1. — Lord Balfour spoke tonight in Edinburgh. He took the line that Conservatives and National Liberals were united by a common danger, and urged that they should afford a united front in a manner that would give them the best chance of success. When there was so much adversity in moderate men of all parties working together it seemed sheer folly to throw away any opportunity for co-operation so fruitful in the past by hazardous experiment, unjustifiable by argument, and defenceless at the bar of reason. So far as he was able to judge the Labor Party would make themselves felt at the coming election. If they came into power he thought it would be disastrous for the country, and those who would immediately and profoundly regret would be the wage-earning classes.

REPEATING THE OBVIOUS.

LONDON, Nov. 1. — The Chancellor of the Exchequer, Stanley Baldwin, declared tonight in a speech at Cardiff, that his first duty will be to settle the debt to the United States. Regarding the amount owing to the United States, he said, "It is a very large sum but we have told America

we are responsible to the last penny, and we are going to pay it."

IRELAND'S CIVIL WAR.

DUBLIN, Nov. 1. — Republican prisoners in Mount Joy Prison, observed the second anniversary of the death of Terence MacSwiney, late Lord Mayor of Cork, by thirty-six hours fasting. Irregulars claim that in the week ending October 14th, they made twelve attacks upon Government forces, "resulting in thirty-two enemy casualties."

BOXING CHAMPION.

NEW YORK, Nov. 1. — Mickey Walker, of Elizabeth, N.J., became the water-walking champion of the world tonight, when he received the decision over Jack Britton, veteran title holder, in a fifteen round bout at Madison Square Garden. It was one of the most furious contests ever seen in the battle-scarred arena.

CANADIAN SEIGNEUR ADRIFT.

HALIFAX, Nov. 1. — The Canadian Government Merchant Marine steamer, Canadian Seigneur, has lost her rudder, and is in need of assistance, latitude 55.32 north; longitude 37.42 west, approximately seven hundred and thirty-eight miles east of St. John's, Newfoundland, according to advices here.

LABOUR LOSSES HEAVY.

LONDON, Nov. 2. — The rout of Labour was the feature of the Municipal elections in a large number of Boroughs throughout England on Wednesday. In a total party hour on Wednesday morning returns were incomplete, but it is significant that in ten of London's twenty-eight

Boroughs, the completed returns show that Labour lost one hundred and forty nine seats, which had previously been held by the Labourites. In some instances their representatives being completely wiped out.

NEED, SCHOONERS IN COLLISION.

NORTH SYDNEY, Nov. 1. — The schooner ARKONA, broke her moorings in the harbor here during the gale yesterday. She broke her bowsprit and rudderhead when she collided with the tern schooner Catherine Moulton. The Arkona afterwards beached, but is further undamaged. The Arkona was from Harbor Breton, and the Catherine Moulton from Burgeo.

IRISH IRREGULARS OCCUPY CLIFDEN.

BELFAST, Nov. 1. — Republicans are continuing to occupy Clifden, northwest of Galway, which they took yesterday, after a fierce encounter with National forces, in which eighty Nationalists were captured, but they have released all with the exception of Commandant O'Malley, and three captains.

A MARCONI STATEMENT.

LONDON, Nov. 1. — Reports that Republicans in capturing Clifden obtained possession of the Marconi Station from which messages are sent to Canada, brought a statement from the Marconi Company this afternoon that it had not maintained a station there since June last, having moved the station to Essex, England.

Wedding Bells.

JONES—DOHERTY. The S.A. Citadel, Adelaide Street, was the scene of a very pretty wedding yesterday afternoon (Wednesday, 1st inst.), at 4 p.m., in the presence of a large congregation, when Helen, the only daughter of Mr. and Mrs. Jonas Jones, of Trinity East, was united in the holy bonds of matrimony to Frank, the elder son of Mr. and Mrs. James Doherty, this city. After the nuptial knot was tied by Adjutant Hillier, the party drove to the home of the groom where justice was done to the good things that lay in readiness for their arrival. Mr. and Mrs. Doherty intend, for the time being, to reside in this city. We wish them every success and many happy years of wedded life.

It was abundantly apparent from the information supplied that the question had been well thought out by the several speakers.
