

**BURGLAR IN PARIS.**—On Tuesday morning about three o'clock, the residence of Mr. Chas. Whitlaw was entered by burglars, through the kitchen window at the rear of the house, who made their way through the rooms without disturbing any of the family. They carried away silver plate to the value of \$150, together with several other valuable articles. It is supposed they are the same parties that robbed Mr. Murphy a few days ago. No trace of the thieves has yet been discovered.

**AN OLD SETTLER GONE.**—Jas. Mitchell, an old and respected resident of Beverley died on the 15th. He emigrated to Canada in 1834, settled in Beverley in 1835, where he resided in which he resided with one or two exceptions was unbroken forest. With only rough hands, a stout heart, and his partner in life he commenced to turn the wilderness into a fruitful field. His patient perseverance, integrity of purpose, and ultimate success, leave an example which they who come after may safely follow.

More and more exciting news come from the gold fields in South Africa. The discovery will attract population, and extend the authority and territorial domains of Great Britain very greatly in that region.

**Calt Markets.**  
 The "REFORMER" says: The past week's business in the Calt Market has been very extensive. The staple article of the week has been Barley, and the spasmodic rise in price which startled buyers and electrified sellers has been remarkable. On Saturday last the price reached \$1.45 per bushel, but this was the highest figure, as on Monday the competition slackened—buyers were shy and \$1.46 was all that could be enticed out of them. Wheat is going down and but little coming in. Oats continue scarce, price from 45c to 50c. Spring Wheat, \$1.08c to \$1.11c. Midge Proof \$1.10c to \$1.13c. White Wheat \$1.20c to \$1.27c.  It is a perfect and wonderful article. Cures baldness. Makes hair grow. A better dressing than any Oil or Pomatum. Softens, dries, and wavy hair into beautiful and Silken Tresses. It does not dye the hair, but strikes at the root and fills it with new life and coloring matter. The first application will do good; you will see the NATURAL COLOR returning every day, and before you know it, the old, gray, discolored appearance of the hair will be gone, giving lustre, shining and beautiful locks.
